AUTHORIZING ACTION WITH RESPECT TO DIVERSITY**

The following is a true copy of a resolution adopted by the Executive Committee of the Board of Center for Neighborhood Technology at a meeting convened and held on March 15, 2019, at which a quorum was present and voting and that such resolution is now in full force, in effect and is in accordance with the provisions of the by-laws of the Organization.

**RESOLVED:** That the Center for Neighborhood Technology believes that the diversity of the communities in which we operate is a fundamental strength of our country. Our mission is best fulfilled when we embrace diversity as a value and a practice.

CNT maintains that achieving diversity requires an enduring commitment to inclusion that must find full expression in our organizational culture, values, norms and behaviors. Throughout our work, we will support diversity in all its forms, encompassing but not limited to age, disability status, economic circumstance, ethnicity, gender, race, religion and sexual orientation. Leading by example, we aspire to make diversity a core and abiding strength of the nonprofit sector.
