OFFICE OF THE MAYOR  
CITY OF CHICAGO

RAHM EMANUEL  
MAYOR

May 23, 2018

TO THE HONORABLE, THE CITY COUNCIL  
OF THE CITY OF CHICAGO

Ladies and Gentlemen:

At the request of the Commissioner of Water Management, I transmit herewith an ordinance authorizing the execution of an intergovernmental agreement with the Metropolitan Water Reclamation District regarding a pilot study.

Your favorable consideration of this ordinance will be appreciated.

Very truly yours,

A handwritten signature in cursive script that reads "Rahm Emanuel".

Mayor

## ORDINANCE

**WHEREAS**, Article VII, Section 10 of the Illinois Constitution, the Illinois Intergovernmental Cooperation Act, 5 ILCS 220/1 *et seq.*, and other applicable law permit and encourage units of local government to cooperate with and support each other in the exercise of their authority and the performance of their responsibilities; and

**WHEREAS**, the Metropolitan Water Reclamation District Act ("Act") declares that stormwater management in Cook County shall be under the general supervision of the Metropolitan Water Reclamation District of Greater Chicago ("**District**") (70 ILCS 2605/7h);

**WHEREAS**, the Act specifically authorizes the District to plan, manage, implement, and finance activities relating to stormwater management in Cook County (70 ILCS 2605/7h(a));

**WHEREAS**, the District has committed to implementing a Green Infrastructure Program Plan in conformance with Appendix E, Section II (C) of a certain consent decree entered into in United States, *et al.*, v. Metropolitan Water Reclamation District of Greater Chicago, Case No. 1:11-cv-08859 (N.D. Ill. 2014) ("Consent Decree"), and the District's formal commitment herein is intended to satisfy that obligation;

**WHEREAS**, "Green Infrastructure" shall mean the range of stormwater control measures that use plant/soil systems, permeable pavement, stormwater harvest and reuse, native landscaping or other technologies to store, infiltrate, and/or evapotranspire stormwater and reduce flows to the sewer systems or to surface waters, as more fully set forth at 415 ILCS 56/5;

**WHEREAS**, the Act provides that the stormwater management planning program in a municipality with a population over one million will be conducted by that municipality, or by the District subject to an intergovernmental agreement between the District and that municipality;

**WHEREAS**, the City of Chicago ("**City**") has a population greater than one million people;

**WHEREAS**, on December 13, 2006, the City Council of the City ("**City Council**") adopted the "Chicago Stormwater Management Ordinance," codified as Chapter 11-18 of the Municipal Code of Chicago ("**City Ordinance**");

**WHEREAS**, pursuant to Section 11-18-110 of the City Ordinance and other provisions of the Municipal Code of Chicago, the Commissioner of the Chicago Department of Water Management ("**CDWM**") has issued regulations for sewer construction and stormwater management;

**WHEREAS**, the Commissioner of CDWM has the authority to enter into grant agreements, cooperation agreements and other agreements or contracts to implement programs related to stormwater management (Chicago Municipal Ordinance 2-106-040);

**WHEREAS**, on October 6, 2009, the City and the District entered into an intergovernmental agreement ("**Stormwater IGA**") regarding stormwater management within the corporate limits of the City;

**WHEREAS**, pursuant to the Stormwater IGA, the District and the City further agreed to work together on identifying potential projects to address stormwater management problems

within the corporate limits of the City and to perform feasibility studies as may be necessary for such potential projects;

**WHEREAS**, the neighborhood of Chatham is located within the corporate limits of the City;

**WHEREAS**, property owners in the Chatham neighborhood are suffering from a mix of flooding and drainage-related problems, including basement backups and overland flooding, caused in part by excess stormwater runoff;

**WHEREAS**, basement backups in residential areas such as the Chatham neighborhood persist due to increased frequency and intensity of storms, resulting in millions of dollars of damages across Cook County and the City and presenting significant public health and safety concerns;

**WHEREAS**, the District and the City have identified the Chatham neighborhood as suitable for a Pilot Study to gain insight into the efficacy of various runoff reduction and flood protection technologies designed to reduce the risks of basement backups and the volume of stormwater runoff for single-family properties ("**Pilot Study**");

**WHEREAS**, the City previously commissioned the Center for Neighborhood Technology ("**CNT**"), an Illinois not-for-profit corporation, to provide residential flood repair and flood mitigation services to low-income families throughout the City, through the City's Residential Flood Assistance Program;

**WHEREAS**, the City has executed a grant agreement with CNT, under the authority of the Chief Sustainability Officer, to partially fund CNT's RainReady Program to help residents manage flooding;

**WHEREAS**, the City's Department of Transportation ("**CDOT**") shall implement the Pilot Study and ensure that CNT will carry out a two-step process for the selection of candidate properties to be included in the Pilot Study.

**WHEREAS**, the Greencorps Chicago program is the City's green industry job training program for individuals with barriers to employment, and the City is capable of installing the green infrastructure components of the Pilot Study through its Grant Agreement for the Greencorps Chicago Program;

**WHEREAS**, the District and the City find that implementation of the Pilot Study can be achieved most effectively and economically through the existing RainReady Program and Greencorps Chicago;

**WHEREAS**, on June 1, 2017, the District's Board of Commissioners authorized the District to contribute up to, and no more than, Four Hundred Thousand Dollars (\$400,000) for the Program;

**WHEREAS**, pursuant to that authority, and upon the terms and conditions herein, the District will contribute up to, and no more than, Four Hundred Thousand Dollars (\$400,000) for the Program;

**WHEREAS**, the City will also fund a portion of the cost of the Program in an amount up

to, and no more than, Two Hundred Thousand Dollars (\$200,000) from its Department of Water Management;

**WHEREAS**, CDWM will coordinate with CDOT as needed to administer payments and oversee implementation of the Pilot Study; and

**WHEREAS**, the District and the City wish to enter into an intergovernmental agreement in substantially the form attached as Exhibit A (the "Agreement"), whereby the District and the City will accomplish the above-stated goals; now, therefore,

**BE IT ORDAINED BY THE CITY COUNCIL OF THE CITY OF CHICAGO:**

**SECTION 1.** The above recitals are expressly incorporated in and made a part of this ordinance as though fully set forth herein.

**SECTION 2.** The Commissioner of CDWM and the Commissioner of CDOT, or their designees, are each authorized to execute and deliver the Agreement, and specifically with the indemnity provisions contained therein, and such other documents as are necessary, between the City and the District, which Agreement may contain such other terms as are deemed necessary or appropriate by the parties executing the same on the part of the City.

**SECTION 3.** The Commissioner of CDWM and the Commissioner of CDOT, or their designees, are further authorized, in accordance with the provisions of the Agreement, to renew or extend the term of the Agreement beyond its original termination date, and to execute and deliver the renewed or extended Agreement, and such other documents as are necessary, between the City and the District, which renewed or extended Agreement may contain such other terms as are deemed necessary or appropriate by the parties executing the same on the part of the City.

**SECTION 4.** To the extent that any ordinance, resolution, rule, order or provision of the Municipal Code of Chicago, or part thereof, is in conflict with the provisions of this ordinance, the provisions of this ordinance shall control. If any section, paragraph, clause or provision of this ordinance shall be held invalid, the invalidity of such section, paragraph, clause or provision shall not affect any other provisions of this ordinance.

**SECTION 5.** This ordinance shall be in full force and effect from and after the date of its passage and approval.

EXHIBIT A

Form of  
INTERGOVERNMENTAL AGREEMENT  
BETWEEN THE  
METROPOLITAN WATER RECLAMATION DISTRICT OF GREATER CHICAGO  
AND THE  
CITY OF CHICAGO, ILLINOIS  
FOR A PILOT STUDY IN THE CHATHAM NEIGHBORHOOD TO EVALUATE POTENTIAL  
RUNOFF REDUCTION AND FLOOD PROTECTION ALTERNATIVES

THIS INTERGOVERNMENTAL AGREEMENT ("**Agreement**") is made as of this \_\_\_\_ day of \_\_\_\_, 2018, by and between the Metropolitan Water Reclamation District of Greater Chicago, a municipal corporation, organized and existing under the laws of the State of Illinois ("**District**") and the City of Chicago, a municipal corporation and home rule unit of government under Article VII, Section 6(a) of the 1970 Constitution of the State of Illinois, ("**City**"), acting through its Department of Water Management ("**CDWM**") and its Department of Transportation ("**CDOT**").

WITNESSETH, THAT:

**WHEREAS**, the Metropolitan Water Reclamation District Act ("Act") declares that stormwater management in Cook County shall be under the general supervision of the Metropolitan Water Reclamation District of Greater Chicago (70 ILCS 2605/7h);

**WHEREAS**, the Act specifically authorizes the District to plan, manage, implement, and finance activities relating to stormwater management in Cook County (70 ILCS 2605/7h(a));

**WHEREAS**, the District has committed to implementing a Green Infrastructure Program Plan in conformance with Appendix E, Section II (C) of a certain consent decree entered into in United States, et al., v. Metropolitan Water Reclamation District of Greater Chicago, Case No. 1:11-cv-08859 (N.D. Ill. 2014) ("Consent Decree"), and the District's formal commitment herein is intended to satisfy that obligation;

**WHEREAS**, "Green Infrastructure" shall mean the range of stormwater control measures that use plant/soil systems, permeable pavement, stormwater harvest and reuse, native landscaping or other technologies to store, infiltrate, and/or evapotranspire stormwater and reduce flows to the sewer systems or to surface waters, as more fully set forth at 415 ILCS 56/5;

**WHEREAS**, the Act provides that the stormwater management planning program in a municipality with a population over one million will be conducted by that municipality, or by the District subject to an intergovernmental agreement between the District and that municipality;

**WHEREAS**, the City has a population greater than one million people;

**WHEREAS**, on December 13, 2006, the City Council of the City ("City Council") adopted the "Chicago Stormwater Management Ordinance," codified as Chapter 11-18 of the Municipal Code of Chicago ("**City Ordinance**");

**WHEREAS**, pursuant to Section 11-18-110 of the City Ordinance and other provisions of the Municipal Code of Chicago, the Commissioner of CDWM has issued regulations for sewer

construction and stormwater management;

**WHEREAS**, the Commissioner of CDWM has the authority to enter into grant agreements, cooperation agreements and other agreements or contracts to implement programs related to stormwater management (Chicago Municipal Ordinance 2-106-040);

**WHEREAS**, the Illinois Intergovernmental Cooperation Act, 5 ILCS 220/1 *et seq.*, and Section 10 of Article VII of the Illinois Constitution allow and encourage intergovernmental corporation;

**WHEREAS**, on October 6, 2009, the City and the District entered into an intergovernmental agreement ("**Stormwater IGA**") regarding stormwater management within the corporate limits of the City;

**WHEREAS**, pursuant to the Stormwater IGA, the District and the City further agreed to work together on identifying potential projects to address stormwater management problems within the corporate limits of the City and to perform feasibility studies as may be necessary for such potential projects;

**WHEREAS**, the neighborhood of Chatham is located within the corporate limits of the City;

**WHEREAS**, property owners in the Chatham neighborhood are suffering from a mix of flooding and drainage-related problems, including basement backups and overland flooding, caused in part by excess stormwater runoff;

**WHEREAS**, basement backups in residential areas such as the Chatham neighborhood persist due to increased frequency and intensity of storms, resulting in millions of dollars of damages across Cook County and the City and presenting significant public health and safety concerns;

**WHEREAS**, the District and the City have identified the Chatham neighborhood as suitable for a Pilot Study to gain insight into the efficacy of various runoff reduction and flood protection technologies designed to reduce the risks of basement backups and the volume of stormwater runoff for single-family properties ("**Pilot Study**");

**WHEREAS**, the City previously commissioned the Center for Neighborhood Technology ("**CNT**"), an Illinois not-for-profit corporation, to provide residential flood repair and flood mitigation services to low-income families throughout the City, through the City's Residential Flood Assistance Program;

**WHEREAS**, the City has executed a grant agreement with CNT, under the authority of the Chief Sustainability Officer, to partially fund CNT's RainReady Program to help residents manage flooding;

**WHEREAS**, the Greencorps Chicago program is the City's green industry job training program for individuals with barriers to employment, and the City is capable of installing the green infrastructure components of the Pilot Study through its Grant Agreement for the Greencorps Chicago Program;

**WHEREAS**, the District and the City find that implementation of the Pilot Study can be

achieved most effectively and economically through the existing RainReady Program and Greencorps Chicago;

**WHEREAS**, on June 1, 2017, the District's Board of Commissioners authorized the District to contribute up to, and no more than, Four Hundred Thousand Dollars (\$400,000) for the Program;

**WHEREAS**, pursuant to that authority, and upon the terms and conditions herein, the District will contribute up to, and no more than, Four Hundred Thousand Dollars (\$400,000) for the Program;

**WHEREAS**, the City will also fund a portion of the cost of the Program in an amount up to, and no more than, Two Hundred Thousand Dollars (\$200,000) from its Department of Water Management; and

**WHEREAS**, on \_\_\_\_\_ the City Council adopted an ordinance published in the City Council Journal of the Proceedings for said date at pages \_\_\_\_\_ to \_\_\_\_\_, which, among other things, authorizes the execution of this Agreement; and as recorded in the Regular Board Meeting Minutes of the Board of Commissioners of the District, dated June 1, 2017, Adopted As Amended, Refer to File ID # 17-0555A, the District is authorized to enter into this Agreement;

**NOW THEREFORE**, the parties agree as follows:

#### **ARTICLE 1: INCORPORATION OF RECITALS**

The recitals set forth above are incorporated herein by reference and made a part hereof.

#### **ARTICLE 2: SCOPE OF THE PILOT STUDY**

a. **Program Objectives.** The overall purpose of the Pilot Study is to gain insight into the efficacy of various runoff reduction and flood protection technologies designed to reduce the risks of basement backups and the volume of stormwater runoff for single-family properties. Through the Pilot Study, the Parties seek to achieve the following objectives:

- To identify and develop standard details for alternatives that can be implemented at single-family properties to reduce the risks of basement backups and the volume of stormwater runoff.
- To develop criteria and an associated methodology for the selection of candidate properties and the application of an appropriate alternative to each selected property.
- To install the runoff reduction and flood protection alternatives at a maximum of forty (40) selected properties within the Chatham neighborhood using the Greencorps Chicago workforce development program to install the green infrastructure (passive storage systems) elements.
- To harness potential economies of scale to reduce installation costs.
- To create and implement a monitoring plan to collect data that can be used to evaluate the effectiveness of the technologies implemented.
- To provide recommendations for future programs that can be applied in other neighborhoods.

b. **Study Area.** The Pilot Study Area ("Study Area") will include up to forty (40) residential properties in the Chatham neighborhood of Chicago, as shown in Exhibit 1. Located at the south end of the Chatham neighborhood, this triangular-shaped Study Area overlaps with the 6th, 8th, and 9th wards. This area was selected for the Pilot Study because it has a history of regular basement backups and it is currently a target area of the Center for Neighborhood Technology's RainReady program. In addition, a higher resolution sewer hydraulic model (based on the City's trunk sewer model) is available from the District's recently completed stormwater master plan for the area. The hydraulic model will provide helpful guidance in the selection of candidate properties for the Pilot Study. The parties believe that 40 properties will provide information sufficient to analyze the effectiveness of the various technologies, to evaluate the installation process, and to assess whether the program can be scaled to a larger area, considering the limited funding available.

### **ARTICLE 3: SERVICES TO BE PROVIDED BY THE CITY**

a. The City shall be responsible for performing the services set forth in this Article through its existing grant agreements with CNT for the RainReady initiative and with Greencorps Chicago. The City's Grant Agreements shall be amended in order to provide for the performance of activities contemplated as part of the Pilot Study. The agreements must also be amended to ensure compliance with the terms and conditions of this IGA.

b. **Property Selection.** CDOT shall implement the Pilot Study and ensure that CNT will carry out a two-step process for the selection of candidate properties to be included in the Pilot Study. The process includes an initial screening and a final home inspection and verification.

The initial screening will identify a number of criteria in order to select up to 60 potential properties or a 2-block neighborhood for the Pilot. The screening criteria shall include, but are not limited to:

- Data and results from available hydrologic/hydraulic modeling
- Review of 311 flood complaints
- Survey home data from CNT's RainReady program
- Review of capital improvements planned by the City and MWRD.
- GIS analysis of site constraints (utilities, impervious/pervious areas, yard sizes, etc.)

The homeowners selected for the initial screening must be informed that not every property will be eligible for the installation of the available flood control devices, which is based on the evaluation criteria set forth below. However, at minimum, each homeowner who agrees to participate in the Pilot Study will receive an on-site inspection and a recommendation from CNT regarding any options that may be available to help reduce flooding at his or her property. The City of Chicago's Private Drain Repair Program may be available to certain homeowners; however, all residents must be informed that participation in that program is separate from this Pilot Study and subject to available funding.

The second step will include a home inspection of each prospective candidate property to determine and verify what types of flood control and passive storage systems (see Article 3(c)) are the most appropriate given the site constraints. Property inspections will be conducted by CNT and its contractor. Based on the available budget, data gathered in the initial screening, the home inspection, and the property owner's input and approval, CNT will select the most appropriate technologies to be installed at each property.

The inspection shall include, but is not limited to:

- Televising of the sewer lateral (the video shall be provided to the homeowner at the end of the inspection process)
- Identifying locations of foundation drain, storm drain and downspouts and determine if they are connected to the lateral
- Measuring dimensions of the lot and available yard space and location of the building/accessory structure
- Determining the relative elevation difference between the building and sidewalk/accessory structure/alley and identifying drainage pathways
- Identifying potential utility conflicts
- Any relevant factors that may determine or influence the selection of measures

The evaluation of each home for recommended flood control measures shall include, but is not limited to, the following criteria:

- Data gathered in the initial screening and subsequent home inspection
- Feasibility of connecting downspouts, storm drains and foundation drains
- Conditions of the sewer lateral
- Site limitations based on topography, utility, size and dimensions, etc.
- Available budget (not to exceed \$400,000)
- The goal to achieve a balanced application of flood control technologies and passive storage systems considered in this Pilot Study
- Property owner's input and willingness to comply with program requirements, including execution of the liability waiver

The City and CNT shall report their findings from the inspection and the evaluation to the District for review before performing any installations.

**c. Available Flood Control Technologies.** The following two flood control systems are eligible for reimbursement by the District. These systems were selected because they will be installed at the sewer lateral outside of the building, which minimizes potential disturbances to the building and reduces the cost and complexity of the project.

- **Simple check valve** – The check valve will automatically close when the sewer main and the lateral are surcharged, preventing the outside sewage from entering the building plumbing. This is the most basic level of protection. With this system, no water use is allowed when the receiving sewer is surcharged. (See Check Valve Installation Detail.)
- **Backflow preventer valve with ejector pump** – In this system, in addition to the check valve, an ejector pump is installed in a sump to allow discharge of sewage when the receiving sewer is surcharged. This solution provides a higher level of protection but with added costs and maintenance of the pumping system.

In order for the City to receive reimbursement from the District, the flood control technologies described above must be installed in conjunction with a passive storage system to reduce stormwater runoff. Downspouts from the building will be disconnected and the runoff will be directed to the storage system. Only passive systems that encourage infiltration are considered in the Pilot Study, such as the following:

- **Surface storage** – Rain garden (vegetated) basins can be constructed at the front

and/or back yards to capture runoff. (See Rain Garden Detail.)

- **Subsurface storage** – Various types of subsurface storage with open bottom can be considered: dry well (aggregate-filled trench/well) (see Dry Well Detail) and underground cistern/container structure (see Underground Storage Detail).

d. **Homeowner notification and consent.** When the flood control devices recommended by CNT are approved by the District, the City shall ensure that CNT notifies each homeowner. The City through CNT and/or its contractor is solely responsible for obtaining any rights or approvals needed to carry out the installations, and shall obtain an agreement from the homeowner that contains the following components, at minimum:

- Waiver of liability from the homeowner as it relates to the work performed under the Pilot Study holding the District harmless for any and all damages that may occur.
- Agreement to maintain the flood control devices at least for the duration of the Pilot Study and participate in the monitoring program.
- Acknowledgement that the recommended flood control technologies are designed to help prevent basement backups but may not prevent all flooding and drainage-related problems.

e. **Installation.** Installation of passive storage systems shall be carried out by the City through Greencorps Chicago. Bid and contract administration for the backflow preventers and check valves installation (by licensed plumbers) will be handled by the City through CNT, in accordance with Article 3(i)-(k).

f. **General Services.** In addition to the services outlined above, the City through CNT will conduct outreach to the homeowners and interface with GreenCorps Chicago, plumbing contractor(s), and homeowners relating to project scope and construction.

g. **Maintenance, Monitoring, and Evaluation.** CNT will develop a monitoring program, subject to the review and input of the City and the MWRD. Maintenance of the installed systems will be the responsibility of the homeowners; however, the City through CNT shall be responsible for working with the homeowner to resolve any issues that arise with the proper functioning of the installed technologies and passive storage systems. To that end, CNT will provide follow-up survey and training to homeowners to monitor and maintain the installed systems. CNT will implement the monitoring program to collect data to evaluate the performance of the installed systems; the results of which shall be reported to the MWRD. The monitoring program shall consist of the following elements, at minimum:

1. An initial survey, prior to installation of the technologies, that provides a baseline of the residents' attitudes towards the history and severity of flooding they currently experience, the technologies being implemented on their home, and expectations of performance of the technologies.
2. After any significant rainfall event (1" or greater) homeowners will be contacted to determine if they experienced flooding in their basement and if they feel they would have experienced flooding during that event normally before the technologies were installed. The amount or severity of any flooding should also be reported, where available.
3. Quarterly inquiries of the participating residents to determine if they experienced any flooding in the previous quarter and if they would have expected flooding normally before the technologies were installed.

4. Final report that summarizes the data collected from the 3 above-listed elements and a final survey of the residents to measure any change in attitude toward the severity of flooding they currently experience, the technologies implemented on their homes and satisfaction with the performance of the technologies. Also, included in the final report will be a summary of the construction that includes evaluation of planned versus actual construction, any unexpected conditions encountered during construction and lessons learned.

**h. Payment.** The City shall reimburse CNT and GreenCorps Chicago for the administrative costs of implementing the services described herein up to the maximum amount of \$200,000. Administrative costs shall include all costs associated with the inspections, including televising. Any City funds remaining after administrative costs are paid shall be used to pay for additional installation costs under this Pilot Study, if needed. The District will reimburse the City for the installation costs of eligible flood control technologies up to \$400,000 and will seek to ensure this full amount is available for installation costs for the entire Pilot Study. Installation costs are defined as the direct costs to construct the flood control technologies reviewed and approved by the District as set forth in this Agreement. Payments made by the City shall be in accordance with its agreement with CNT. The CDWM shall coordinate with CDOT as needed to administer payments and oversee implementation.

**i. Procurement.** The City shall ensure any contracts entered into by the City or CNT shall be publicly advertised and all program-related contracts awarded to the lowest responsible bidder as determined by the City. The City shall consider and act in general accord with the applicable standards of the District's Purchasing Act, 70 ILCS 2605/11/1-11.24, and Multi-Project Labor Agreement and Memorandum of Understanding (attached to this Agreement as Exhibits 2 and 3, respectively) when advertising and awarding any contracts. The City shall provide to the District documentation of the following with respect to any procurement carried out through this IGA:

- Advertisement page for the contract bid out.
- Tab sheet of firms that bid on project
- The award letter or agenda in which the entity made the award

The City shall also require a payment bond and performance bond for all Project-related construction contracts in general accord with the applicable standards of Exhibit 2. The City may impose more stringent requirements than those contained in Exhibits 2 and 3 when awarding contracts, but in no event shall the City's requirements fall below the District's applicable general standards. The City need not include the attached Exhibits 2 and 3 as part of its bid documents. However, the City is responsible for ensuring that these applicable minimum requirements are met.

**j. Affirmative Action.** The City shall ensure that CNT complies with the District's Affirmative Action goals with respect to that portion of the cost of the Pilot Study for which District has contributed funds. The determination as to whether the City has complied with these Affirmative Action goals is solely in the District's discretion. The City's failure to fully comply with these Affirmative Action goals, as determined by the District, may result in a payment delay and/or denial. The District will have the right to access and inspect, with reasonable notice, any records or documentation related to the City's compliance with the District's Affirmative Action goals and requirements.

The City and CNT shall comply with the applicable portions of District's Affirmative Action Requirements and Affirmative Action Ordinance (attached to this Agreement as Exhibit 4). Affirmative Action goals for the Project are: 10% of the total amount of reimbursement provided by the District for the Project for Women-Owned Business Enterprises, 20% of the total amount of reimbursement provided by the District for the Project for Minority-Owned Business Enterprises, and 10% of the total amount of reimbursement provided by the District for the Project for Small Business Enterprises.

In order to evidence compliance with the District's Affirmative Action Requirements, the City must complete an Affirmative Action Status Report ("Status Report") attached to this Agreement as Exhibit 5, and submit a letter from a certifying agency that verifies the MBE/WBE/SBE status of the vendors. Failure to submit the Status Report may result in a payment delay and/or denial. The Status Report and the letter from a certifying agency must be submitted to the District's Diversity Administrator. The City must comply with the District's Affirmative Action goals only in respect to that portion of the cost of the Project for which the District has contributed funds.

k. **Prevailing Wage.** The City and its Grantees shall comply with the Prevailing Wage Act, 820 ILCS 130/0.01 *et seq.*, as applicable, while conducting the construction of the Program. Current prevailing wage rates for Cook County are determined by the Illinois Department of Labor. The prevailing wage rates are available on the Illinois Department of Labor's official website. It is the responsibility of the City to obtain and comply with any revisions to the rates should they change throughout the duration of the Agreement.

l. **Project Schedule.** The anticipated Project schedule will be mutually agreed upon by all parties to this Agreement after execution of the Agreement.

#### **ARTICLE 4: SERVICES TO BE PROVIDED BY THE DISTRICT**

a. The District shall reimburse to the City the allowable costs for the City's installation of the recommended flood control technologies, up to the maximum amount of \$400,000. In order to receive payment, the City through CNT shall submit reimbursement requests to the District for eligible Pilot Study costs.

b. The District shall not approve any reimbursements to the City that do not comply with the terms and conditions set forth in this Agreement.

c. The District shall reimburse the City within thirty (30) days of receipt of complete reimbursement requests.

d. The District will review and analyze the Pilot Study results provided pursuant to the inspections, installations and monitoring plans conducted through the City's program. Nothing in this Agreement shall be construed as creating an obligation on the District to take any action with regard to, or adopt the findings, conclusions, or recommendations of the Pilot Study.

#### **ARTICLE 5: TERM AND TERMINATION**

a. **Term.** The Term of this Agreement shall commence on the date that the last signature is affixed hereto and shall expire upon completion of the Pilot Study or on December 31, 2020, whichever comes first.

**b. Termination.**

1. The Parties may terminate this Agreement by mutual consent and agreement in writing.

2. Either Party may terminate this Agreement, by written notice to the other Party, for any material breach of this Agreement by the other Party. The breaching Party shall have 30 days from the date it receives written notice to cure such breach.

3. As set forth in Article 4, the District's reimbursement is limited to the funding amount approved and allocated by the District's Board of Commissioners for the Pilot Study. The District may terminate the Agreement if the District's Board of Commissioners does not appropriate additional funds beyond the current fiscal year or above the amounts set forth herein.

**ARTICLE 6: CONSENT**

a. Whenever the consent or approval of one or both parties to this Agreement is required hereunder, such consent or approval shall not be unreasonably withheld.

**ARTICLE 7: PERMITS AND FEES**

a. The City shall ensure that CNT obtains all federal, state, and county permits, consents or approvals required by law for the implementation of the Pilot Program, and shall assume any costs in procuring said permits, consents or approvals.

**ARTICLE 8: INDEMNIFICATION AND INSURANCE**

a. The City must defend, indemnify, keep and hold harmless the District, its officers, representatives, elected and appointed officials, agents and employees from and against any and all Losses, including those related to:

1. injury, death or damage of or to any person or property;
2. any infringement or violation of any property right (including any patent, trademark, or copyright);
3. the City's or its Grantee's failure to perform its contractual obligations with respect to the Pilot Program, including City's failure to perform its obligations to any subcontractor;
4. injuries or death of any employee of the City, its Grantee or any subcontractor under any workers compensation statute.

b. "Losses" means, individually and collectively, liabilities of every kind, including losses, damages and reasonable costs, payments and expenses (such as, but not limited to, court costs and reasonable attorneys' fees and disbursements), claims, demands, actions, suits, proceedings, judgments or settlements, any or all of which in any way arise out of or relate to the City's breach of any contract related to the Pilot Program or the City's Partners' negligent or otherwise wrongful acts or omissions or those of its officers, agents, employees, consultants, subcontractors or licensees arising out of or as a consequence of the performance of the Pilot Program, including claims arising from negligent maintenance, operation or failure to perform of the installed systems.

c. At the District's option, the City must defend all suits brought upon all such Losses

and must pay all costs and expenses incidental to them, but the District has the right, at its option, to participate, at its own cost, in the defense of any suit, without relieving the City of any of its obligations under this Agreement. Any settlement must be made only with the prior written consent of the District's General Counsel, if the settlement requires any action on the part of the District.

d. To the extent permissible by law, the City waives any limits to the amount of its obligations to indemnify, defend or contribute to any sums due under any Losses, including any claim by any employee of City that may be subject to the Workers Compensation Act, 820 ILCS 305/1 *et seq.*, or any other related law or judicial decision (such as, *Kotecki v. Cyclops Welding Corp.*, 146 Ill. 2d 155 (1991)). The District, however, does not waive any limitations it may have on its liability under the Illinois Workers Compensation Act or any other statute or judicial decision.

e. The District shall defend, indemnify, and hold harmless the City from liabilities of every kind, including losses, damages and reasonable costs, payments and expenses (including, but not limited to, court costs and reasonable attorneys' fees and disbursements), claims, demands, actions, suits, proceedings, judgments or settlements, any or all of which are asserted by any individual, private entity, or public entity against the City, specifically arising out of any acts or omissions of the District in the performance of its obligations as set forth under this Agreement.

f. The indemnities in this section survive the expiration or termination of this Agreement.

g. Insurance. The City shall provide to the District all documentation showing that its Grantee maintains insurance in the amounts set forth in the City's Grant Agreements with CNT and Greencorps, which is attached hereto as Exhibit 6. The insurance must cover the work contemplated under the Pilot Program and must name the MWRD as an additional insured.

Any notice, demand or request sent pursuant to clause (c) shall be deemed received on the day immediately following deposit with the overnight courier and, if sent pursuant to subsection (d) shall be deemed received two (2) days following deposit in the mail.

#### **ARTICLE 10: ASSIGNMENT; BINDING EFFECT**

a. This Agreement, or any portion thereof, shall not be assigned by either party without the prior written consent of the other. This Agreement shall inure to the benefit of and shall be binding upon the City, the District and their respective successors and permitted assigns. This Agreement is intended to be and is for the sole and exclusive benefit of the parties hereto and such successors and permitted assigns.

#### **ARTICLE 11: MODIFICATION**

a. This Agreement may not be altered, modified or amended except by written instrument signed by all of the parties hereto.

#### **ARTICLE 12: COMPLIANCE WITH LAWS**

The parties hereto shall comply with all federal, state and municipal laws, ordinances, rules and regulations relating to this Agreement. This Agreement is not intended, nor shall it be construed, to confer any rights, privileges, or authority not permitted by Illinois law. Nothing in this Agreement shall be construed to establish a contractual relationship between the District and any party other than the City.

### **ARTICLE 13: GOVERNING LAW AND SEVERABILITY**

This Agreement shall be governed by the laws of the State of Illinois. If any provision of this Agreement shall be held or deemed to be or shall in fact be inoperative or unenforceable as applied in any particular case in any jurisdiction or jurisdictions or in all cases because it conflicts with any other provision or provisions hereof or any constitution, statute, ordinance, rule of law or public policy, or for any reason, such circumstance shall not have the effect of rendering any other provision or provisions contained herein invalid, inoperative or unenforceable to any extent whatsoever. The invalidity of any one or more phrases, sentences, clauses, or sections contained in this Agreement shall not affect the remaining portions of this Agreement or any part hereof.

### **ARTICLE 14: COUNTERPARTS**

This Agreement may be executed in counterparts, each of which shall be deemed an original.

### **ARTICLE 15: ENTIRE AGREEMENT**

This Agreement constitutes the entire agreement between the parties.

### **ARTICLE 16: AUTHORITY**

Execution of this Agreement by the City is authorized by an ordinance adopted by the City Council on \_\_\_\_\_. Execution of this Agreement by the District is authorized by its Board of Commissioners on \_\_\_\_\_. The parties represent and warrant to each other that they have the authority to enter into this Agreement and perform their obligations hereunder.

### **ARTICLE 17: HEADINGS**

The headings and titles of this Agreement are for convenience only and shall not influence the construction or interpretation of this Agreement.

### **ARTICLE 18: DISCLAIMER OF RELATIONSHIP**

Nothing contained in this Agreement, nor any act of the City or the District, shall be deemed or construed by any of the parties hereto or by third persons, to create any relationship of third party beneficiary, principal, agent, limited or general partnership, joint venture, or any association or relationship involving the City and the District.

### **ARTICLE 19: NO PERSONAL LIABILITY**

No officer, member, official, employee or agent of the City or the District shall be individually or personally liable in connection with this Agreement.

### **ARTICLE 20: NON-WAIVER**

Either party's failure to require strict performance by the other party of any provision of this Agreement will not waive a party's right to demand strict compliance with any other provision of this Agreement or such provision at any other time. Any waiver of any terms of this Agreement must be in writing and shall not diminish the future enforceability of this Agreement.

## **ARTICLE 21: REPRESENTATIVES**

Immediately upon execution of this Agreement, the following individuals will represent the parties as a primary contact

For the District:        Director of Engineering  
Metropolitan Water Reclamation District of Greater Chicago

## **Exhibit 2: District's Purchasing Act**

(70 ILCS 2605/11.1) (from Ch. 42, par. 331.1)

Sec. 11.1. Sections 11.1 through 11.24 of this amendatory Act of 1963 shall be known and may be cited as the "Purchasing Act for the Metropolitan Sanitary District of Greater Chicago."

(Source: P.A. 82-1046.)

(70 ILCS 2605/11.2) (from Ch. 42, par. 331.2)

Sec. 11.2. In addition to all the rights, powers, privileges, duties and obligations conferred thereon in "An Act to create sanitary districts and to remove obstructions in the Des Plaines and Illinois rivers", approved May 29, 1889, as amended, the Metropolitan Sanitary District of Greater Chicago shall have the rights, powers and privileges and shall be subject to the duties and obligations conferred thereon by this amendatory Act of 1963.

(Source: Laws 1963, p. 2498.)

(70 ILCS 2605/11.3) (from Ch. 42, par. 331.3)

Sec. 11.3. Except as provided in Sections 11.4 and 11.5, all purchase orders or contracts involving amounts in excess of the mandatory competitive bid threshold and made by or on behalf of the sanitary district for labor, services or work, the purchase, lease or sale of personal property, materials, equipment or supplies, or the granting of any concession, shall be let by free and open competitive bidding after advertisement, to the lowest responsible bidder or to the highest responsible bidder, as the case may be, depending upon whether the sanitary district is to expend or receive money.

All such purchase orders or contracts which shall involve amounts that will not exceed the mandatory competitive bid threshold, shall also be let in the manner prescribed above whenever practicable, except that after solicitation of bids, such purchase orders or contracts may be let in the open market, in a manner calculated to insure the best interests of the public. The provisions of this section are subject to any contrary provisions contained in "An Act concerning the use of Illinois mined coal in certain plants and institutions", filed July 13, 1937, as heretofore and hereafter amended. For purposes of this Section, the "mandatory competitive bid threshold" is a dollar amount equal to 0.1% of the total general fixed assets of the district as reported in the most recent required audit report. In no event, however, shall the mandatory competitive bid threshold dollar amount be less than \$10,000 or more than \$40,000.

Notwithstanding the provisions of this Section, the sanitary district is expressly authorized to establish such procedures as it deems appropriate to comply with state or federal regulations as to affirmative action and the utilization of small and minority businesses in construction and procurement contracts.

(Source: P.A. 92-195, eff. 1-1-02.)

(70 ILCS 2605/11.4) (from Ch. 42, par. 331.4)

Sec. 11.4. Contracts which by their nature are not adapted to award by competitive bidding, such as, but not only, contracts for the services of individuals possessing a high degree of professional skill where the ability or fitness of the individual plays an important part, contracts for the purchase or sale of utilities and contracts for materials economically procurable only from a single source of supply and leases of real property where the sanitary district is the lessee shall not be subject to the competitive bidding requirements of this Act. The sanitary district is expressly authorized to procure from any federal, state or local governmental unit or agency such surplus materials, as may be made available without conforming to the competitive bidding requirements of this Act. Regular employment contracts, whether classified in civil service or not, shall not be subject to the competitive bidding requirements of this Act. (Source: Laws 1963, p. 2498.)

(70 ILCS 2605/11.5) (from Ch. 42, par. 331.5)

Sec. 11.5. In the event of an emergency affecting the public health or safety, so declared by action of the board of trustees, which declaration shall describe the nature of the injurious effect upon the public health or safety, contracts may be let to the extent necessary to resolve such emergency without public advertisement. The declaration shall fix the date upon which such emergency shall terminate. The date may be extended or abridged by the board of trustees as in its judgment the circumstances require.

The executive director appointed in accordance with Section 4 of this Act shall authorize in writing and certify to the director of procurement and materials management those officials or employees of the several departments of the sanitary district who may purchase in the open market without filing a requisition or estimate therefor, and without advertisement, any supplies, materials, equipment or services, for immediate delivery to meet bona fide operating emergencies where the amount thereof is not in excess of \$50,000; provided, that the director of procurement and materials management shall be notified of such emergency. A full written account of any such emergency together with a requisition for the materials, supplies, equipment or services required therefor shall be submitted immediately by the requisitioning agent to the executive director and such report and requisition shall be submitted to the director of procurement and materials management and shall be open to public inspection for a period of at least one year subsequent to the date of such emergency purchase. The exercise of authority in respect to purchases for such bona fide operating emergencies shall not be dependent upon a declaration of emergency by the board of trustees under the first paragraph of this Section. (Source: P.A. 95-923, eff. 1-1-09; 96-165, eff. 8-10-09.)

(70 ILCS 2605/11.6) (from Ch. 42, par. 331.6)

Sec. 11.6. The head of each department shall notify the director of procurement and materials management of those officers and employees authorized to sign requests for purchases. Requests for purchases shall be void unless executed by an authorized officer or employee and approved by the director of procurement and materials management. Requests for purchases may be executed, approved and signed manually or electronically.

Officials and employees making requests for purchases shall not split or otherwise partition for the purpose of evading the competitive bidding requirements of this Act, any undertaking involving amounts in excess of the mandatory competitive bid threshold.

(Source: P.A. 95-923, eff. 1-1-09.)

(70 ILCS 2605/11.7) (from Ch. 42, par. 331.7)

Sec. 11.7. All proposals to award purchase orders or contracts involving amounts in excess of the mandatory competitive bid threshold shall be published at least 12 calendar days in advance of the date announced for the receiving of bids, in a secular English language newspaper of general circulation in said sanitary district and shall be posted simultaneously on readily accessible bulletin boards in the principal office of the sanitary district. Nothing contained in this section shall be construed to prohibit the placing of additional advertisements in recognized trade journals. Advertisements for bids shall describe the character of the proposed contract or agreement in sufficient detail either in the advertisement itself or by reference to plans, specifications or other detail on file at the time of publication of the first announcement, to enable the bidders to know what their obligation will be. The advertisement shall also state the date, time and place assigned for the opening of bids. No bids shall be received at any time subsequent to the time indicated in the announcement; however, an extension of time may be granted for the opening of such bids upon publication in the same newspaper of general circulation in said sanitary district stating the date to which bid opening has been extended. The time of the extended bid opening shall not be less than 5 days after publication, Sundays and legal holidays excluded.

Cash, cashier's check or a certified check payable to the clerk and drawn upon a bank, as a deposit of good faith, in a reasonable amount not in excess of 10% of the contract amount, may be required of each bidder by the director of procurement and materials management on all bids involving amounts in excess of the mandatory competitive bid threshold. If a deposit is required, the advertisement for bids shall so specify. Instead of a deposit, the director of procurement and materials management may allow the use of a bid bond if the bond is issued by a surety company that is listed in the Federal Register and is authorized to do business in the State of Illinois.

(Source: P.A. 95-923, eff. 1-1-09.)

(70 ILCS 2605/11.8) (from Ch. 42, par. 331.8)

Sec. 11.8. Any agreement or collusion among bidders or prospective bidders in restraint of freedom of competition by agreement to bid a fixed price, or otherwise, shall render the bids of such bidder void. Each bidder shall accompany his bid with a sworn statement, or otherwise swear or affirm, that he has not been a party to any such agreement or collusion. Any disclosure in advance of the opening of bids, on the terms of the bids submitted in response to an advertisement, made or permitted by the director of procurement and materials management or any officer or employee of said sanitary district shall render the proceedings void and shall require re-advertisement and re-award.

(Source: P.A. 95-923, eff. 1-1-09.)

(70 ILCS 2605/11.9) (from Ch. 42, par. 331.9)

Sec. 11.9. All sealed bids shall be publicly opened by the director of procurement and materials management, or his designee, and such bids shall be open to public inspection for a period of at least 48 hours before award is made; provided, this provision shall not apply to the sale of bonds, tax anticipation warrants or other financial obligations of the sanitary district.

(Source: P.A. 95-923, eff. 1-1-09.)

(70 ILCS 2605/11.10) (from Ch. 42, par. 331.10)

Sec. 11.10. Every contract or purchase order involving amounts in excess of the mandatory competitive bid threshold shall be signed by the president or other duly authorized officer of the board of commissioners, by the executive director, by the clerk and by the director of procurement and materials management. Each bid with the name of the bidder shall be entered upon a record which shall be open to public inspection in the office of the director of procurement and materials management. After the award is made, the bids shall be entered in the official records of the board of commissioners.

All purchase orders or contracts involving amounts that will not exceed the mandatory competitive bid threshold shall be let by the director of procurement and materials management. They shall be signed by the director of procurement and materials management and the clerk. All records pertaining to such awards shall be open to public inspection for a period of at least one year subsequent to the date of the award.

An official copy of each awarded purchase order or contract together with all necessary attachments thereto, including assignments and written consent of the director of procurement and materials management shall be retained by the director of procurement and materials management in an appropriate file open to the public for such period of time after termination of contract during which action against the municipality might ensue under applicable laws of limitation. Certified copies of all completed contracts and purchase orders shall be filed with the clerk. After the appropriate period, purchase orders, contracts and attachments in the clerk's possession may be destroyed by direction of the

director of procurement and materials management.

The provisions of this Act are not applicable to joint purchases of personal property, supplies and services made by governmental units in accordance with Sections 1 through 5 of "An Act authorizing certain governmental units to purchase personal property, supplies and services jointly," approved August 15, 1961.

(70 ILCS 2605/11.11) (from Ch. 42, par. 331.11)

Sec. 11.11. In determining the responsibility of any bidder, the director of procurement and materials management may take into account, in addition to financial responsibility, past records of transactions with the bidder, experience, adequacy of equipment, ability to complete performance within a specific time and other pertinent factors, including but not limited to whether the equipment or material is manufactured in North America.

(Source: P.A. 95-923, eff. 1-1-09.)

(70 ILCS 2605/11.12) (from Ch. 42, par. 331.12)

Sec. 11.12. Any and all bids received in response to an advertisement may be rejected by the director of procurement and materials management if the bidders are not deemed responsible, or the character or quality of the services, supplies, materials, equipment or labor do not conform to requirements, or if the public interest may be better served thereby.

(Source: P.A. 95-923, eff. 1-1-09.)

(70 ILCS 2605/11.13) (from Ch. 42, par. 331.13)

Sec. 11.13. Bond, with sufficient sureties, in such amount as shall be deemed adequate by the director of procurement and materials management not only to insure performance of the contract in the time and manner specified in said contract but also to save, indemnify and keep harmless the sanitary district against all liabilities, judgments, costs and expenses which may in anywise accrue against said sanitary district in consequence of the granting of the contract or execution thereof shall be required for all contracts relative to construction, rehabilitation or repair of any of the works of the sanitary district and may be required of each bidder upon all other contracts in excess of the mandatory competitive bid threshold when, in the opinion of the director of procurement and materials management, the public interest will be better served thereby.

In accordance with the provisions of "An Act in relation to bonds of contractors entering into contracts for public construction", approved June 20, 1931, as amended, all contracts for construction work, to which the sanitary district is a party, shall require that the contractor furnish bond guaranteeing payment for materials and labor utilized in the contract.

(70 ILCS 2605/11.14) (from Ch. 42, par. 331.14)

Sec. 11.14. No contract to which the sanitary district is a party shall be assigned by the successful bidder without the written consent of the director of procurement and materials management. In no event shall a contract or any part thereof be assigned to a bidder who has been declared not to be a responsible bidder in the consideration of bids submitted upon the particular contract.

(Source: P.A. 95-923, eff. 1-1-09.)

(70 ILCS 2605/11.15) (from Ch. 42, par. 331.15)

Sec. 11.15. No person shall be employed upon contracts for work to be done by any such sanitary district unless he is a citizen of the United States or has in good faith declared his intention to become such a citizen. In all cases where an alien after filing his declaration of intention to become a citizen of the United States, shall for the space of three months after he could lawfully do so, fail to take out his final papers and obtain his citizenship such failure shall be prima facie evidence that his declaration of intention was not made in good faith.

(Source: Laws 1963, p. 2498.)

(70 ILCS 2605/11.16) (from Ch. 42, par. 331.16)

Sec. 11.16. The executive director, with the advice and consent of the board of trustees, shall appoint the director of procurement and materials management. Any person appointed as the director of procurement and materials management must have served at least 5 years in a responsible executive capacity requiring knowledge and experience in large scale purchasing activities.

In making the appointment, the president shall appoint an advisory committee consisting of 5 persons, one of whom shall be the executive director, which advisory board shall submit not fewer than 3 names to the general superintendent for the appointment. The executive director shall make the appointment from nominees submitted by the Advisory Committee after giving due consideration to each nominee's executive experience and his ability to properly and effectively discharge the duties of the director of procurement and materials management.

The director of procurement and materials management may be removed for cause by the executive director. He is entitled to a public hearing before the executive director prior to such anticipated removal. The director of procurement and materials management is entitled to counsel of his own choice. The executive director shall notify the board of trustees of the date, time, place and nature of each hearing and he shall invite the board to appear at each hearing.

(Source: P.A. 95-923, eff. 1-1-09.)

(70 ILCS 2605/11.17) (from Ch. 42, par. 331.17)

Sec. 11.17. Powers of director of procurement and materials management. The director of procurement and materials management shall: (a) adopt, promulgate and from time to time revise rules and regulations for the proper conduct of his office; (b) constitute the agent of the sanitary district in contracting for labor, materials, services, or work, the purchase, lease or sale of personal property, materials, equipment or supplies in conformity with this Act; (c) open all sealed bids; (d) determine the lowest or highest responsible bidder, as the case may be; (e) enforce written specifications describing standards established pursuant to this Act; (f) operate or require such physical, chemical or other tests as may be necessary to insure conformity to such specifications with respect to quality of materials; (g) exercise or require such control as may be necessary to insure conformity to contract provisions with respect to quantity; (h) distribute or cause to be distributed, to the various requisitioning agencies of such sanitary district such supplies, materials or equipment, as may be purchased by him; (i) transfer materials, supplies, and equipment to or between the various requisitioning agencies and to trade in, sell, donate, or dispose of any materials, supplies, or equipment that may become surplus, obsolete, or unusable; except that materials, supplies, and equipment may be donated only to not-for-profit institutions; (j) control and maintain adequate inventories and inventory records of all stocks of materials, supplies and equipment of common usage contained in any central or principal storeroom, stockyard or warehouse of the sanitary district; (k) assume such related activities as may be assigned to him from time to time by the board of trustees; and (m) submit to the board of trustees an annual report describing the activities of his office. The report shall be placed upon the official records of the sanitary district or given comparable public distribution. (Source: P.A. 95-923, eff. 1-1-09.)

(70 ILCS 2605/11.18) (from Ch. 42, par. 331.18)

Sec. 11.18. The board of trustees is expressly authorized to establish a revolving fund to enable the director of procurement and materials management to purchase items of common usage in advance of immediate need. The revolving fund shall be reimbursed from appropriations of the using agencies. No officer or employee of a sanitary district organized pursuant to this Act shall be financially interested, directly or indirectly, in any bid, purchase order, lease or contract to which such sanitary district is a party. For purposes of this Section an officer or employee of the sanitary district is deemed to have a direct financial interest in a bid, purchase order, lease or contract with the district, if the officer or employee is employed by the district and is simultaneously employed by a person or corporation that is a party to any bid, purchase order, lease or contract with the sanitary district.

Any officer or employee convicted of a violation of this section shall forfeit his office or employment and in addition shall be guilty of a Class 4 felony.

(70 ILCS 2605/11.20) (from Ch. 42, par. 331.20)

Sec. 11.20. There shall be a board of standardization, composed of the director of procurement and materials management of the sanitary district who shall be chairman, and 4 other members who shall be appointed by the president of the board of trustees of the sanitary district. The members shall be responsible heads of a major office or department of the sanitary district and shall receive no compensation for their services on the board. The board shall meet at least once each 3 calendar months upon notification by the chairman at least 5 days in advance of the date announced for such meeting. Official action of the board shall require the vote of a majority of all members of the board. The chairman shall cause to be prepared a report describing the proceedings of each meeting. The report shall be transmitted to each member and shall be made available to the president and board of trustees of such sanitary district within 5 days subsequent to the date of the meeting and all such reports shall be open to public inspection, excluding Sundays and legal holidays.

The board of standardization shall: (a) classify the requirements of the sanitary district, including the departments, offices and other boards thereof, with respect to supplies, materials and equipment; (b) adopt as standards, the smallest numbers of the various qualities, sizes and varieties of such supplies, materials and equipment as may be consistent with the efficient operation of the sanitary district; and (c) prepare, adopt, promulgate, and from time to time revise, written specifications describing such standards.

Specifications describing in detail the physical, chemical and other characteristics of supplies, material or equipment to be acquired by purchase order or contract shall be prepared by the board of standardization. However, all specifications pertaining to the construction, alteration, rehabilitation or repair of any real property of such sanitary district shall be prepared by the engineering agency engaged in the design of such construction, alteration, rehabilitation or repair, prior to approval by the director of procurement and materials management. The specification shall form a part of the purchase order or contract, and the performance of all such contracts shall be supervised by the engineering agency designated in the contracts.

In the preparation or revision of standard specifications

the board of standardization shall solicit the advice, assistance and cooperation of the several requisitioning agencies and shall be empowered to consult such public or non-public laboratory or technical services as may be deemed expedient. After adoption, each standard specification shall, until rescinded, apply alike in terms and effect to every purchase order or contract for the purchase of any commodity, material, supply or equipment. The specifications shall be made available to the public upon request.

(70 ILCS 2605/11.23) (from Ch. 42, par. 331.23)

Sec. 11.23. The comptroller of the sanitary district shall conduct audits of all expenditures incident to all purchase orders and contracts awarded by the director of procurement and materials management. The comptroller shall report the results of such audits to the president and board of trustees.  
(Source: P.A. 95-923, eff. 1-1-09.)

(70 ILCS 2605/11.24) (from Ch. 42, par. 331.24)

Sec. 11.24. (a) A person or business entity shall be disqualified from doing business with The Metropolitan Sanitary District of Greater Chicago for a period of 5 years from the date of conviction or entry of a plea or admission of guilt, if that person or business entity:

1. has been convicted of an act of bribery or attempting to bribe an officer or employee of the federal government or of a unit of any state or local government or school district in that officer's or employee's official capacity; or
2. has been convicted of an act of bid-rigging or attempting to rig bids as defined in the Federal Sherman Anti-Trust Act and Clayton Act; or
3. has been convicted of bid-rigging or attempting to rig bids under the laws of the State of Illinois or any other state; or
4. has been convicted of an act of price-fixing or attempting to fix prices as defined by the Federal Sherman Anti-Trust Act and Clayton Act; or
5. has been convicted of price-fixing or attempting to fix prices under the laws of the State of Illinois or any other state; or

6. has been convicted of defrauding or attempting to defraud the Federal government or a unit of any state or local government or school district; or

7. has made an admission of guilt of such conduct as set forth in subsections 1 through 6 above, which admission is a matter of record, whether or not such person or business entity was subject to prosecution for the offense or offenses admitted to; or

8. has entered a plea of nolo contendere to charges of bribery, price-fixing, bid-rigging, or fraud as set forth in subsections 1 through 6 above.

(b) "Business entity" as used in this section means a corporation, partnership, trust, association, unincorporated business or individually owned business.

(c) A business entity shall be disqualified if the following persons are convicted of, have made an admission of guilt, or enter a plea of nolo contendere to a disqualifying act described in paragraph (a), subsections 1 through 6, regardless of whether or not the disqualifying act was committed on behalf or for the benefit of such business entity:

- (1) a person owning or controlling, directly or indirectly, 20% or more of its outstanding shares; or
- (2) a member of its board of directors; or
- (3) an agent, officer or employee of such business entity.

(d) Disqualification Procedure. After bids are received, whether in response to a solicitation for bids or public advertising for bids, if it shall come to the attention of the director of procurement and materials management that a bidder has been convicted, made an admission of guilt, a plea of nolo contendere, or otherwise falls within one or more of the categories set forth in paragraphs (a), (b) or (c) of this Section, the director of procurement and materials management shall notify the bidder by certified mail, return receipt requested, that such bidder is disqualified from doing business with the Sanitary District. The notice shall specify the reasons for disqualification.

(e) Review Board. A review board consisting of 3 individuals shall be appointed by the Executive Director of the Sanitary District. The board shall select a chairman from its own members. A majority of the members shall constitute a quorum and all matters coming before the board shall be determined by a majority. All members of the review board shall serve without compensation, but shall be reimbursed actual expenses.

(f) Review. The director of procurement and materials management's determination of disqualification shall be final as of the date of the notice of disqualification unless, within 10 calendar days thereafter, the disqualified bidder files with the director of procurement and materials management a notice of appeal. The notice of appeal shall specify the exceptions to the director of procurement and materials management's determination and shall include a request for a hearing, if one is desired. Upon receipt of the notice of appeal, the director of procurement and materials management shall provide a copy to each member of the review

board. If the notice does not contain a request for a hearing, the director of procurement and materials management may request one within 5 days after receipt of the notice of appeal. If a hearing is not requested, the review board may, but need not, hold a hearing.

If a hearing is not requested, the review board, unless it decides to hold a hearing, shall review the notice of disqualification, the notice of appeal and any other supporting documents which may be filed by either party. Within 15 days after the notice of appeal is filed, the review board shall either affirm or reverse the director of procurement and materials management's determination of disqualification and shall transmit a copy to each party by certified mail, return receipt requested.

If there is a hearing, the hearing shall commence within 15 days after the filing of the notice of appeal. A notice of hearing shall be transmitted to the director of procurement and materials management and the disqualified bidder not later than 12 calendar days prior to the hearing date, by certified mail, return receipt requested.

Evidence shall be limited to the factual issues involved. Either party may present evidence and persons with relevant information may testify, under oath, before a certified reporter. Strict rules of evidence shall not apply to the proceedings, but the review board shall strive to elicit the facts fully and in credible form. The disqualified bidder may be represented by an attorney.

Within 10 calendar days after the conclusion of the hearing, the review board shall make a finding as to whether or not the reasons given in the director of procurement and materials management's notice of disqualification apply to the bidder, and an appropriate order shall be entered. A copy of the order shall be transmitted to the director of procurement and materials management and the bidder by certified mail, return receipt requested.

(g) All final decisions of the review board shall be subject to review under the Administrative Review Law.

(h) Notwithstanding any other provision of this section to the contrary, the Sanitary District may do business with any person or business entity when it is determined by the director of procurement and materials management to be in the best interest of the Sanitary District, such as, but not limited to contracts for materials or services economically procurable only from a single source.

With

### CERTIFICATE OF COMPLIANCE

#### CONTAINS:

- 1) MPLA – EFFECTIVE OCTOBER 6, 2017
- 2) CERTIFICATE OF COMPLIANCE

MPLA-CC-01

**GENERAL REQUIREMENTS UNDER THE  
MULTI-PROJECT LABOR AGREEMENT**

The following is a brief summary of a Bidder's responsibilities under the MPLA. Please refer to the terms of the MPLA for a full and complete statement of its requirements.

Your firm is required to complete the Certificate of Compliance indicating that your firm intends to comply with the Multi-Project Labor Agreement. The Certificate of Compliance must be signed by an authorized Officer of the firm. This may be submitted with the bid or prior to award of contract. To be eligible for award, your firm must comply with the Multi-Project Labor Agreement and sign the certificate. Failure of the Bidder to comply with the MPLA will result in a rejection of the bid, and possible retention of the bid deposit. Compliance with the MPLA, is as follows:

If the Bidder or any other entity performing work under the contract is not already signatory to a current collective bargaining agreement with a union or labor organization affiliated with the AFL-CIO Building Trades Department and the Chicago and Cook County Building and Construction Trades Council, or their affiliates which have jurisdiction over the work to be performed pursuant to this Contract, (hereafter referred to as a "participating trade group") it must become a member.

Note: The MPLA is not applicable when the performance of work is outside Cook County, Illinois, or if repair and maintenance work on equipment is performed at a Bidder's facility.

Revised October 2017

METROPOLITAN WATER RECLAMATION DISTRICT OF GREATER CHICAGO  
MULTI-PROJECT LABOR AGREEMENT FOR COOK COUNTY

This Multi-Project Labor Agreement ("Agreement") is entered into by and between the Metropolitan Water Reclamation District of Greater Chicago ("MWRD" or "District"), a public body, as Owner, in its proper capacity, on behalf of itself and each of its contractors and subcontractors of whatever tier ("Contractors") and shall be applicable to Construction Work on Covered Projects, both defined herein, to be performed by the District's Contractors along with each of the undersigned labor organizations signatory to the Chicago and Cook County Building and Construction Trades Council and, as appropriate, the Teamsters Joint Council No. 25, or their affiliates who become signatory hereto (collectively "Union(s)").

This Agreement is entered into in accordance with all applicable local state and federal laws. The District recognizes the public interest in timely construction and labor stability.

WHEREAS, MWRD is responsible for the actual construction, demolition, rehabilitation, deconstruction, and/or renovation work ("Construction Work") of projects overseen by MWRD in the geographical boundaries of Cook County. All of the District's Construction Work within those boundaries ("Covered Projects") will be recognized as covered under the terms of this Agreement regardless of the source of the Funds for the Project. Due to the size, scope, cost, timing, and duration of the multitude of Covered Projects traditionally performed by MWRD, the Parties to this Agreement have determined that it is in their interests to have these Covered Projects completed in the most productive, economical, and orderly manner possible and without labor disruptions of any kind that might interfere with, or delay, any of said Covered Projects; and

WHEREAS, the Parties have determined that it is desirable to eliminate the potential for friction and disruption of these Covered Projects by using their best efforts to ensure that all Construction Work is performed by the Unions that are signatory hereto and which have traditionally performed and have trade and geographic jurisdiction over such work regardless of the source of the Funds for the Project. Experience has proven the value of such cooperation and mutual undertakings; and

WHEREAS, the Parties acknowledge that the District is not to be considered an employer of any employee of any Contractor covered under this Agreement, and the District acknowledges that it has a serious and ongoing concern regarding labor relations associated with its Covered Projects, irrespective of the existence of a collective bargaining relationship with any of the signatory Unions.

NOW THEREFORE, in order to further these goals and objectives and to maintain a spirit of harmony, labor-management cooperation, and stability, the Parties agree as follows:

1. During the term of this Agreement, MWRD shall neither contract, nor permit any other person, firm, company, or entity to contract or subcontract for any Construction Work on any Covered Project under this Agreement, unless such work is performed by a person, firm, or company signatory, or willing to become signatory, to the current applicable area-wide collective bargaining agreement(s) with the appropriate trade/craft Union(s) affiliated with the Chicago & Cook County Building & Construction Trades Council or, as appropriate, the Teamsters' Joint Council No. 25. Copies of all applicable, current collective bargaining agreements constitute Appendix A of this Agreement, attached hereto and made an integral part hereof, and as may be modified from time to time during the term of this Agreement.

September 6, 2017

Said provisions of this Agreement shall be included in all advertised contracts, excluding non-Construction Work, and shall be explicitly included in all contracts or subcontracts of whatsoever tier by all Contractors on Covered Projects.

- a. The Parties agree that the repair of heavy equipment, thermographic inspection, and landscaping shall be defined and/or designated as Construction Work on all Covered Projects.
- b. The Unions acknowledge that some preassembled or prefabricated equipment and material will be used on Covered Projects. To the extent consistent with existing collective bargaining agreements and applicable law, there will be no refusal by the Unions to handle, transport, install, or connect such equipment or materials. Further, equipment and material procured from sources outside of the geographic boundaries of Cook County may be delivered by independent cargo, haulers, rail, ship and/or truck drivers and such delivery will be made without any disruption as the District will request its Contractors to request Union-affiliate employees to make deliveries to the Covered Project Sites.
- c. Notwithstanding anything to the contrary herein, the terms of this Agreement shall not apply to work performed at the Contractor's facility for repair and maintenance of equipment or where repair, maintenance, or inspection services are done by highly skilled technicians trained in servicing equipment, unless otherwise provided by the relevant collective bargaining agreement.
- d. Nothing herein shall prohibit or otherwise affect the District's right to cancel or otherwise terminate a contract.
- e. A pre-construction meeting attended by representatives of the District, the Contractors, and Unions shall be scheduled for a date prior to commencement of a Covered Project. The nature of the project, the May 15, 2017 Covered Construction Work, the work assignments, and any other matters of mutual interest will be discussed. All parties participating in the pre-job conferences shall sign a pre-job sign-in sheet. During the pre-job conference, or shortly thereafter, and before the commencement of the project, the contractor or subcontractor shall ensure that there has been submitted to the District a letter of good standing for the applicable trades explaining that the contractor or subcontractor is not delinquent with respect to any dues owed to the appropriate labor organization or with respect to any fringe contributions owed to the appropriate fringe benefit fund(s). If a union or fringe benefit fund does not produce a letter of good standing within seven (7) days after a request is made no such letter of good standing shall be required for that particular trade.
- f. The Unions agree to reasonably cooperate with the MWRD and Contractors in order to assist them in achieving the Worker Percentage Participation goals as defined in subsection (1) and (2) below. The Worker Percentage Participation goals are governed by federal requirements regarding federal construction contracts. To the extent these federal worker percentage participation goals are modified in the future, such modifications will automatically apply:

- (1) 19.6% of the total aggregate of construction hours worked by employees of contractors and their subcontractors will be performed by African-American, Hispanic, Native American, Asian-Pacific, and Subcontinent Asian American workers.
- (2) 6.9% of the total aggregate of construction hours worked by employees of the contractors and their subcontractors will be performed by female workers.

2. A contractor or subcontractor which is a successful bidder with respect to Covered Projects, but which is not signatory to the applicable area-wide collective bargaining agreements incorporated herein, shall be required to execute such applicable area-wide collective bargaining agreements within seven (7) days of being designated a successful bidder. If such an agreement is not executed within that time period, said contractor or subcontractor will be disqualified. In no event shall a contractor or subcontractor be required to sign any of the applicable agreements constituting Appendix A if the contractor or subcontractor does not employ the trade covered by the applicable Appendix A contract.

3. During the term of this Agreement, no Union signatory hereto nor any of its members, officers, stewards, agents, representatives, nor any employee, shall instigate, authorize, support, sanction, maintain, or participate in any strike, walkout, work stoppage, work slowdown, work curtailment, cessation, or interruption of production, or in any picketing of any Covered Project site covered by this Agreement for any reason whatsoever, including, but not limited to, the expiration of any collective bargaining agreement referred to in Appendix A, a dispute between the Parties and any Union or employee, or as a show of support or sympathy for any other Union employee or any other group. In the event of an economic strike or other job action upon the termination of an existing collective bargaining agreement, no adverse job action shall be directed against any Covered Project sites. All provisions of any subsequently negotiated collective bargaining agreement shall be retroactive for all employees working on the Covered Project.

4. Each Union signatory hereto agrees that it will use its best efforts to prevent any of the acts forbidden in Paragraph 4, and that in the event any such act takes place or is engaged in by any employee or group of employees, each Union signatory hereto further agrees that it will use its best efforts (including its full disciplinary power under its Constitution and/or By-laws) to cause an immediate cessation thereof. Each union also agrees that if any union, individual or group of employees on covered projects engages in any handbilling, picketing, strike, walkout, work stoppage, work slowdown, work curtailment, cessation or interruption, the other unions will consider such picketing or other work action as unauthorized and will refuse to honor any picket line established and the unions further agree to instruct their members to cross such unauthorized lines. Failure of any union or groups of employees to cross such unauthorized picket lines on any covered project shall be a violation of this agreement.

5. Any Contractor signatory or otherwise bound, stipulated to, or required to abide by any provisions of this Agreement may implement reasonable project rules and regulations, and these rules and regulations shall be distributed to all employees on the Covered Project. Provided, however, that such rules and regulations shall not be inconsistent with the terms of this Agreement or any applicable area-wide collective bargaining agreement. Any Contractor shall have the right to discharge or discipline its Union employees who violate the provisions of this Agreement or any Covered Project's rules and regulations. Such discharge or discipline by a Contractor shall be subject to the Grievance/ Arbitration procedure of the applicable area-wide collective bargaining agreement only as to the fact of such employee's violation of this Agreement. If such fact is established, the penalty imposed shall not be subject to review or disturbed. Construction Work at any Covered Project site under this Agreement shall continue without disruption or hindrance of any kind during any Grievance/Arbitration procedure.

6. The Unions understand and acknowledge that the District's Contractors are responsible to perform Construction Work as required by the District. The Contractors have complete authority to do the following, subject to District approval, if required, and if consistent with the terms of the collective bargaining agreements attached hereto:

- a. Plan, direct, and control the operations of all work;
- b. Hire and lay off employees as the Contractor deems appropriate to meet work requirements;
- c. Determine work methods and procedures;
- d. Determine the need and number of foremen;
- e. Require all employees to observe Contractor and/or District rules and regulations;
- f. Require all employees to work safely and observe all safety regulations prescribed by the Contractor and/or the District; and
- g. Discharge, suspend, or discipline employees for proper cause.
- h. Abide by the rules set forth in each respective Trade Unions' Collectively Bargained Agreement pertaining to apprentice to journeyman ratios.

7. Nothing in the foregoing shall prohibit or restrict any Party from otherwise judicially enforcing any provision of its collective bargaining agreement between any Union and a Contractor with whom it has a collective bargaining relationship.

8. This Agreement shall be incorporated into all advertised contract documents after the Board of Commissioners adopts and ratifies this Agreement.

9. The term of this Agreement shall be five (5) years and shall be automatically extended from year to year unless the District or the Council issues a written notice to terminate prior to ninety (90) days in advance of any expiration. Any Covered Project commenced during and/or covered by the terms of this Agreement shall continue to be covered by its terms until the final completion and acceptance of the Covered Project by the District.

10. In the event a dispute shall arise between a contractor or subcontractor any signatory union and/or fringe benefit fund as to the obligation and/or payment of fringe benefits provided for under the appropriate Collective Bargaining Agreement, upon notice to the District by the appropriate union signatory hereto of a claim for such benefits, the District shall forward such notification to the surety upon the contract, and to the general contractor.

11. In the event of a jurisdictional dispute by and between any Unions, such Unions shall take all steps necessary to promptly resolve the dispute. In the event of a dispute relating to trade or work jurisdiction, Parties, including Contractors, consent to and agree that a final and binding resolution of the dispute shall be achieved in accordance with the terms of paragraph nine of the Joint Conference Board Standard Agreement between the Chicago & Cook County Building Trades Council and the Construction Employers' Association, attached hereto as Appendix B, and as may be modified from time to time during the term of this Agreement.

12. This Agreement shall be incorporated into and become a part of the collective bargaining agreements between the Unions signatory hereto and Contractors and their subcontractors. In the event of any inconsistency between this Agreement and any collective bargaining agreement, the terms of this Agreement shall supersede and prevail. In the event of any inconsistency between this Agreement and any collective bargaining agreement, the terms of this Agreement shall supersede and prevail except for all work performed under the NTP Articles of Agreement, the National Stack/Chimney Agreement, the National Cooling Tower Agreement, all instruction calibration work and loop checking shall be performed under the terms of the UA/IBEW Joint National Agreement for Instrument and Control systems Technicians, and the National Agreement of the International Union of Elevator Contractors with the exception of the content and subject matter of Article V, VI, and VII of the AFL-CIO's Building & Construction Trades Department model Project Labor Agreement.

13. The Parties agree that in the implementation and administration of this Agreement, it is vitally necessary to maintain effective and immediate communication so as to minimize the potential of labor relations disputes arising out of this Agreement. To that end, each Party hereto agrees to designate, in writing, a representative to whom problems which arise during the term of this Agreement may be directed. Within forty-eight (48) hours after notice of the existence of any problem, a representative of each Party shall meet to discuss and, where possible, resolve such problems. The representative of the Unions shall be President of the Chicago & Cook County Building & Construction Trades Council or his/her designee. The representative of MWRD shall be the District's Assistant Director of Engineering, Construction Division or his/her designee.

14. The District and the Contractors agree that the applicable substance abuse policy (i.e., drug, alcohol, etc.) on any Covered Project shall be that as contained or otherwise provided for in the relevant area-wide collective bargaining agreements attached as Appendix A to this Agreement. Nothing in the foregoing shall limit the District and/or Contractors from initiating their own substance abuse policy governing other employees performing work on a project not otherwise covered under this Agreement. In the event there is no substance abuse policy in the applicable collective bargaining agreements, the policy adopted by the District and/or Contractor may apply. The District is not responsible for administering any substance abuse policy for non-District employees.

15. The Parties recognize a desire to facilitate the entry into the building and construction trades of veterans who are interested in careers in the building and construction industry. The Contractors and Unions agree to utilize the services of the Center for Military Recruitment, Assessment and Veterans Employment ("Center"), the Center's Helmets to Hardhats program, and the Veteran's In Piping (V.I.P) program (this only pertains to the United Association Pipefitter's Local 597, Plumbers Local 130, and Sprinkler Fitter's Local 281), to serve as a resource for preliminary orientation, assessment of construction aptitude, and referral to apprenticeship programs or hiring halls, counseling and mentoring, support network, employment opportunities, and other needs as identified by the Parties. The Contractors and Unions also agree to coordinate with the Center to create and maintain an integrated database of veterans interested in working on Covered Projects, including apprenticeship and employment opportunities on such projects. To the extent permitted by law, the Parties will give

appropriate credit to such veterans for bona fide, provable past experience in the building and construction industry.

16. The Parties agree that Contractors working under the terms of this Agreement shall be required to utilize the maximum number of apprentices on Covered Projects as permitted under the applicable area-wide collective bargaining agreements contained in Appendix A, where feasible and practical.

17. Neither the District, the Contractors, nor the Unions shall discriminate against any employees of a protected class, including but not limited to on the basis of race, creed, color, national origin, age, or sex, in accordance with all applicable state and federal laws and regulations.

18. If any provision or other portion of this Agreement shall be determined by any court of competent jurisdiction to be invalid, illegal, or unenforceable in whole or in part, and such determination shall become final, it shall be deemed to be severed or limited, but only to the extent required to render the remaining provisions and portions of this Agreement enforceable. This Agreement, as amended, shall be enforced so as to give effect to the intention of the Parties insofar as possible.

19. Under this Agreement, any liability of the Parties shall be several and not joint. The District shall not be liable for any violations of this Agreement by any Contractor or Union, and any Contractor or Union shall not be liable for any violations of this Agreement by the District, any other Contractor, or any other Union. In the event any provision of this Agreement is determined to be invalid, illegal, or unenforceable as specified in Paragraph 18, neither the District nor any Contractor or Union shall be liable for any action taken or not taken to comply with any court order.

20. The Parties are mutually committed to promoting a safe working environment for all personnel at the job site. It shall be the responsibility of each employer to which this Agreement applies to provide a work environment free of illegal drugs and any concealed weapons, to maintain safe working conditions for its employees, and to comply with all applicable federal, state, and local health and safety laws and regulations.

21. The use or furnishing of alcohol, weapons, or illegal drugs and the conduct of any other illegal activities at the job site is strictly prohibited. The Parties shall take every practical measure consistent with the terms of the applicable area-wide collective bargaining agreement to ensure that the job site is free of weapons, alcohol, and illegal drugs.

22. Each Union representing workers engaged in Construction Work on a Covered Project is bound to this Agreement with full authority to negotiate and sign this Agreement with the District.

23. All Parties represent that they have the full legal authority to enter into this Agreement.

24. This document, with the attached Appendices, constitutes the entire Agreement of the Parties and may not be modified or changed except by subsequent written agreement of the Parties.

September 6, 2017

25. Having been adopted by the Board of Commissioners on August 3, 2017, and ratified and effective as of the last date on the signature page, this agreement supersedes any other Multi-Project Labor Agreement previously entered into by the parties as of the date of ratification.

## PREAMBLE

This Agreement is entered into to prevent strikes and lockouts and to facilitate peaceful adjustment of jurisdictional disputes in the building and construction industry and to prevent waste and unnecessary avoidable delays and expense, and for the further purpose of at all times securing for the employer sufficient skilled workers and so far as possible to provide for labor continuous employment, such employment to be in accordance with the conditions and at the wages agreed upon, in the particular trade or craft; that stable conditions may prevail in the construction industry; that costs may be as low as possible consistent with fair wages and conditions and further to establish the necessary procedure by which these ends may be accomplished.

This Standard Agreement shall be considered and shall constitute a part of all agreements between Employers and Labor Unions, members of the Construction Employers' Association, herein call the Association, and the Chicago & Cook County Building & Construction Trades Council, herein called the Council, as containing within its terms the necessary protection of and assuring undisturbed conditions in the industry. In the event of any inconsistency between this Agreement and any collective bargaining agreement, the terms of this Agreement shall supersede and prevail except for all work performed under the NT Articles of Agreement, the National Stack/Chimney Agreement, the National Cooling Tower Agreement, all instrument calibration work and loop checking shall be performed under the terms of the UA/IBEW Joint National Agreement for Instrument and Control Systems Technicians, and the National Agreement of the International Union of Elevator Constructors with the exception of the content and subject matter of Articles V, VI and VII of the AFL-CIO's Building & Construction Trades Department model Project Labor Agreement.

## DECLARATION OF PRINCIPLES

The Principles contained herein are fundamental, and no articles or section in this Agreement or in the collective bargaining agreement pertaining to a specific trade or craft shall be construed as being in conflict with these principles. In the event any conflict exists between this Agreement and any collective bargaining agreement subject to the Provisions of this Agreement and the dispute resolution provisions contained hereunder, and pertaining to a specific trade or craft concerning the resolution of jurisdictional disputes, the parties specifically agree that the terms of this Agreement are exclusive and supersede any other provisions or procedures relating to the settlement of jurisdictional disputes contained in such collective bargaining agreement.

- I. There shall be no limitation as to the amount of work a worker shall perform during the work day.
- II. There shall be no restriction on the use of machinery, tools or appliances.
- III. There shall be no restriction on the use of any raw or manufactured material, except prison made.
- IV. No person shall have the right to interfere with workers during working hours.
- V. The use of apprentices shall not be prohibited.
- VI. The foreman shall be the agent of the employer.
- VII. The worker is at liberty to work for whomever he or she sees fit but such worker shall demand and receive the wages agreed upon in the collective bargaining agreement covering the particular trade or craft under any circumstances.
- VIII. The employer is at liberty to employ and discharge for just cause whomever the employer sees fit.

## ARTICLES OF AGREEMENT

### ARTICLE I

Therefore, with the Preamble and Declaration of Principles as part of and fundamental to this Agreement, the parties hereto hereby agree that there shall be no lookout by any employer, or strikes, stoppage, or the abandonment of work either individually or collectively, by concerted or separate action by any union without arbitration of any jurisdictional dispute as hereinafter provided.

### ARTICLE II

The parties hereto hereby agree that in the manner herein set forth, they and the parties whom they represent will submit to arbitration all jurisdictional disputes that may arise between them and any misunderstanding as to the meaning or intent of all, or any part, of this Agreement, and they further agree that work will go on undisturbed during such arbitration, and that the decision of the arbitrator shall be final and binding on the parties hereto as provided in Article VI.

### ARTICLE III

Paragraph 1. Should a Union affiliated with the Council abandon its work without first submitting any jurisdictional dispute to arbitration as provided herein, or should any employees whom it represents individually or collectively, or by separate or concerted action, leave the work, the employer shall have the right to fill the places of such workers with workers who will agree to work for the employer, and the Union shall not have the right to strike, or abandon the work, because of the employment of such workers.

Paragraph 2. The Union shall have the right to take the employees whom it represents from the work for the purpose of collecting wages and fringe benefits due, but such matter shall immediately be referred to arbitration. Should there be a dispute as to the amount due, the matter shall be first referred to arbitration as herein set forth.

Paragraph 3. The parties recognize the importance of having all work performed in a satisfactory manner by competent craftsmen. Because the unions affiliated with the Council have through apprenticeship and other training programs consistently striven to create an adequate supply of such skilled workers, and because it is desirable that the unions continue to do so, the Association, for itself and for each employer whom it represents agrees, to the extent permitted by law, that it will contract or subcontract any work to be done at the site of the construction, alteration, painting, or repair of a building, structure, or other work, only with or to a contractor who is a party to a collective bargaining agreement with a union affiliated with the Council and, accordingly, is bound by all the terms and provisions of this Standard Agreement.

#### ARTICLE IV

The parties recognize the importance of having available and furnishing at all times during the life of this Agreement sufficient skilled workers, capable of performing the work of their trade, and to constantly endeavor to improve the ability of such workers and further to have in the making, through apprenticeship training, workers who can enter the trade properly equipped to perform the work, and to the extent possible, the parties agree to do everything within their power to cooperate in carrying out these purposes. Joint apprenticeship committees shall have the right to maintain schools for the training of apprentices registered under the terms of the particular collective bargaining agreement involved and such apprentices shall be considered skilled and qualified journeymen when adjudged competent by a committee composed of the members of the parties to the particular collective bargaining agreement involved. However, this article shall not be construed to disturb present systems wherein the labor organization which is a party to the particular collective bargaining agreement involved compels apprentices to attend trade school.

#### ARTICLE V

A Joint Conference Board is hereby created by agreement between the Association and the Council, which shall be binding upon the members and affiliates of each, and it is hereby agreed by the parties hereto, together with their members and affiliates, that they will recognize the authority of said Joint Conference Board and that its decisions shall be final and binding upon them as provided in Article VI. The administration of the Joint Conference Board shall be executed by the Secretary of the Board. All normal operating and all extraordinary expenses shall be borne equally.

#### ARTICLE VI

The Joint Conference Board shall be responsible for the administration of this Agreement. The primary concern of the Joint Conference Board shall be the adjustment of jurisdictional disputes by arbitrators selected by the Board. Decisions rendered by any arbitrator under this Agreement appointed by the Joint Conference Board relating to jurisdictional disputes shall be only for the specific job under consideration and shall become effective immediately and complied with by all parties. In rendering a decision, the Arbitrator shall determine:

- a) First whether a previous Agreement of Record or applicable agreement, including a disclaimer agreement, between the National or International Unions to the dispute governs.
- b) Only if the Arbitrator finds that the dispute is not covered by an appropriate or applicable Agreement of Record or agreement between the National or International Unions to the dispute, he shall then consider the established trade practice in the industry and prevailing practice in the locality. Where there is a

previous Decision of Record governing the case, the Arbitrator shall give equal weight to such Decision of Record, unless the prevailing practice in the locality in the past ten years favors one craft. In that case, the Arbitrator shall base his decision on the prevailing practice in the locality. Except, that if the Arbitrator finds that a craft has improperly obtained the prevailing practice in the locality through raiding, the undercutting of wages or by the use of vertical agreements, the Arbitrator shall rely on the Decision of Record and established trade practice in the industry rather than the prevailing practice in the locality.

- c) In order to determine the established trade practice in the industry and prevailing practice in the locality, the Arbitrator may rely on applicable agreements between the Local Unions involved in the dispute, prior decisions of the Joint Conference Board for specific jobs, decisions of the National Plan and the National Labor Relations Board or other jurisdictional dispute decisions, along with any other relevant evidence or testimony presented by those participating in the hearing.
- d) Only if none of the above criteria is found to exist, the Arbitrator shall then consider that because efficiency, cost or continuity and good management are essential to the well being of the industry, the interests of the consumer or the past practices of the employer shall not be ignored.

Agreements of Record are those agreements between National and International Unions that have been "attested" by the predecessor of the National Plan and approved by the AFL-CIO Building and Construction Trades Department and are contained in the Green Book. Such Agreements of Record are binding on employers stipulated to the Plan for the Settlement or Jurisdictional Disputes in the Construction Industry (the "National Plan"), the National Plan's predecessor joint boards or stipulated to the Joint Conference Board. Agreements of Record are applicable only to the crafts signatory to such agreements. Decisions of Record are decisions by the National Arbitration Panel or its predecessors and recognized under the provisions of the Constitution of the AFL-CIO Building and Construction Trades Department and the National Plan. Decisions of Record are applicable to all crafts.

The Arbitrator shall set forth the basis for his decision and shall explain his findings regarding the applicability of the above criteria. If lower-ranked criteria are relied upon, the Arbitrator shall explain why the higher-ranked criteria were not deemed applicable. The Arbitrator's decision shall only apply to the job in dispute. Such decisions of the Arbitrator shall be final and binding subject only to an appeal, if such an appeal is available under conditions determined by the Building and Construction Trades Department of the American Federation of Labor and Congress of Industrial Organizations under the National Plan or any successor plan for the settlement of jurisdictional disputes.

## ARTICLE VII

This is an arbitration agreement and the intent of this agreement is that all unresolved jurisdictional disputes must be arbitrated under the authority of the Joint Conference Board and that the decisions, subject to the right of appeal provided in Article VI, shall be final and binding upon the parties hereto and upon their affiliates and the members of such affiliates, and that there shall be no abandonment of the work during such arbitration or in violation of the arbitration decision. The Joint Conference Board shall administer the neutral arbitration system of this agreement. Any party bound to this Agreement through a collective bargaining agreement with any Local Union affiliated with the Council shall be bound to this Agreement for all jurisdictional disputes that may arise between any Local Unions affiliated with the Council. Employers bound to this Agreement shall require that this Agreement be a part of all agreements with contractors or subcontractors covering work performed by any trade or craft affiliated with the Council. All parties to this Agreement release the Board from any liability arising from its action or inaction and covenant not to sue the Board. Any damages incurred by the Board for any breach of this covenant shall include, but are not limited to, the Board's costs, expenses and attorneys fees incurred as a result of said legal proceedings.

Paragraph 1 - The annual meeting of the Joint Conference Board shall be held in June, unless another date is agreed upon by the parties.

Paragraph 2 - The parties hereto shall designate an equal number of members who shall serve upon the Joint Conference Board. The members of the Board shall annually be certified by the Association and the Council in written communications addressed to the Board by the President and Secretary of the respective organizations. Each year the Joint Conference Board shall select a Chairman from among its members. The Joint Conference Board shall also select from among its members a Vice Chairman. The Board shall also select a Secretary. All members shall serve for one year or until their successors have been selected.

Paragraph 3 - At the annual meeting, the Association and Council shall each name at least five and up to ten impartial arbitrators.

Paragraph 4 - In the event the Chairman or Vice-Chairman is unable to serve by reason of resignation, death or otherwise, a successor may be selected for the remainder of the term by the party which made the original selection. Should a member of the Joint Conference Board be unable to serve, because of resignation, death or any other reason, the successor shall be selected by the Association or Council respectively in which such member holds membership.

Paragraph 5 - Should any member of the Board for any reason be unable to attend any meeting of the Board, the President of his respective organization shall be empowered to name a substitute for each absentee for that meeting.

Paragraph 6 - Meetings of the Board may be called at any time by the Chairman, Secretary or three members of the Board. Seventy-two hours written notice of such meeting must be given to each member of the Board.

Paragraph 7 - Twelve members of the Board, six from each of the parties, present at the executive session, shall be a quorum for the transaction of business. The Chairman, or Vice-Chairman, when presiding, shall not be counted for the purpose of determining a quorum. Whenever the number of members present from each party at the executive session are unequal, the party with the fewer members present shall be entitled to cast a total number of votes equal to the number of the present members of the other party with the additional votes of said party being cast in accordance with the vote of the majority of its members who are present.

Paragraph 8 - If it is brought to the attention of the Chairman that any member (other than the Chairman) is not impartial with respect to a particular matter before the Board, the Chairman may excuse such member from the executive session if the Chairman concludes that such member has a conflict of interest with respect to such matter.

Paragraph 9 - Should a jurisdictional dispute arise between the parties hereto, among or between any members or affiliates of the parties hereto, or among or between any members or affiliates of the parties hereto and some other body of employers or employees, the disposition of such dispute shall be as follows:

- a) The crafts involved shall meet on the jobsite or a mutually agreed location to resolve the jurisdictional dispute.
- b) If the said dispute is not settled it shall be submitted immediately in writing to the Secretary of the Joint Conference Board. Unless agreed to in writing (correspondence, email, etc.) by the trades involved in the dispute, the trades and contractors shall make themselves available to meet within 72 hours at a neutral site with representatives of the Chicago & Cook County Building & Construction Trades Council and the Construction Employers' Association to resolve this jurisdictional issue.
- c) Failure to meet within seventy-two (72) hours of receiving written notice or e-mail to the meetings contemplated in "a" or "b" above will automatically advance the case to the next level of adjudication.
- d) Should this jurisdictional issue be unresolved, the matter shall, within 72 hours not counting Saturday, Sunday and Holidays, hereafter, be referred to an Arbitrator for adjudication if requested in writing by any party. The Arbitrator shall hear the evidence and render a prompt decision within forty-eight (48 hours) of the conclusion of the hearing based on the criteria in Article VI. The arbitrator chosen shall be randomly selected based on availability from the list

submitted in Article VII Paragraph 3. The decision of the Arbitrator shall be subject to appeal only under the terms of Article VI. The written decision shall be final and binding upon all parties to the dispute and may be a short form decision. The fees and costs of the arbitrator shall be divided evenly between the contesting parties except that any party wishing a full opinion and decision beyond the short form decision shall bear the reasonable fees and costs of such full opinion.

- c) Should said dispute not be so referred by either or both of the parties, the Joint Conference Board may, upon its own initiative, or at the request of others interested, take up and decide such dispute, and its decision shall be final and binding upon the parties hereto and upon their members and affiliates as provided for in Article VI.

In either circumstance all of the parties are committed to a case until it is finalized, even if there is an appeal. However, in cases of jurisdictional or other disputes between a union and another union, which is a member of the same International Union, the matter in dispute shall be settled in the manner set forth by their International Constitution, but there shall be no abandonment of the work pending such settlement.

Paragraph 10 - All interested parties shall be entitled to make presentations to the Arbitrator. Any interested party present at the hearing, whether making a presentation or not, by such presence shall be deemed to accept the jurisdiction of the arbitrator and to agree to be bound by its decision and further agrees to be bound by the Standard Agreement, for that case only if not otherwise so bound.

Paragraph 11 - Upon approval of the Arbitrator other parties not directly involved in the dispute may be invited to be present during the presentation and discussion portions of an arbitration hearing. Attorneys shall not be permitted to attend or participate in any portion of a hearing.

Paragraph 12 - At no time shall any party to a pending dispute unilaterally or independently contact the Arbitrator assigned to hear the case. All inquiries must be submitted to the Secretary of the Joint Conference Board.

Paragraph 13 - The Joint Conference Board may also serve as a board of arbitration in other disputes, including wages, but only when requested to do so by all parties involved in the particular dispute or controversy. It is not the intention of this Agreement that the Joint Conference Board shall take part in such disputes except by mutual consent of all parties involved.

## ARTICLE VIII

Paragraph 1 - The duly authorized representatives of members of affiliates of either party hereto, if having in their possession proper credentials, shall be permitted to visit jobs

during working hours, to interview the contractor or the workers, but they shall in no way interfere with the progress of the work.

Paragraph 2 - The handling of tools, machinery and appliances necessary in the performance of the work covered by a particular collective bargaining agreement, shall be done by journeymen covered by such agreement and by helpers and apprentices in that trade, but similar tools, machinery and appliances used by other trades in the performance of their work shall be handled in accordance with the particular collective bargaining agreement of that trade.

Paragraph 3 - In the interest of the public economy and at the discretion of the employer or foreman, all small tasks covered by a particular collective bargaining agreement may be done by workers or laborers of other trades, if mechanics or laborers of this trade are not on the building or job, but same are not to be of longer duration than one-half hour in any one day. The Joint Conference Board may render a decision involving a composite crew.

Paragraph 4 - It is fundamental to the Standard Agreement that all members and affiliates of the parties to this Agreement be stipulated to the Standard Agreement and the Joint Conference Board. All current members of the Chicago and Cook County Building and Construction Trades Council, and their affiliates, by this Agreement are stipulated to the Standard Agreement and Joint Conference Board for the term of the current Standard Agreement. The area labor agreements of the members and affiliates of the parties setting forth language stipulating those parties to the Standard Agreement and Joint Conference Board shall be filed with the Secretary of the Joint Conference Board annually, at the time of the Joint Conference Board appointments. Current trade or craft agreements will prevail as interim agreements in the event labor negotiations are incomplete or in process at the time of the annual meeting.

Paragraph 5 - All members and affiliates of the parties with labor agreements containing language stipulating those parties to the Standard Agreement and Joint Conference Board shall remain stipulated for the term of the current Standard Agreement. Any members or affiliates of the parties who negotiate language stipulating the parties to the Standard Agreement and/or the Joint Conference Board in their area labor agreement shall remain stipulated for the term of the current Standard Agreement. Any Association that incorporates Standard Agreement and/or Joint Conference Board stipulation language into their collective bargaining agreement will automatically have representation on the Joint Conference Board.

Paragraph 6 - Only those crafts with stipulation language in their area labor agreements will be allowed to bring jurisdictional dispute cases to the Joint Conference Board. Those crafts without stipulation language in their area labor agreements will be allowed to participate if a jurisdictional dispute case is brought against their craft and will have the right to appeal any decision, if such an appeal is available, as provided in Article VI of this Agreement.

Paragraph 7 - This agreement applies only to work performed within Cook County, Illinois.

Paragraph 8 - As herein before provided in Article VII, decisions or awards as to jurisdictional claims and decisions determining whether or not said decisions or awards have been violated rendered by the Joint Conference Board shall be final, binding and conclusive on all the parties hereto, on all of their members and affiliates, and on all employers subject only to the right of appeal herein provided for in Article VI.

Paragraph 9 - To further implement the decision of the Joint Conference Board, it is agreed that any party hereto, any of their members or affiliates, and any employer may at any time file a Verified Complaint in writing with the Joint Conference Board alleging a violation of a decision or award previously made. The Board shall thereupon set a hearing, to be held within three days of receipt of the Verified Complaint with respect to the alleged violation, and shall notify all interested parties of the time and place thereof. An Arbitrator selected pursuant to Article VII, Paragraph 9(c) shall conduct a hearing at the time and place specified in its notice. All parties shall be given an opportunity to testify and to present documentary evidence relating to the subject matter of the hearing within forty-eight (48) hours after the conclusion thereof, the Arbitrator shall render a written decision in the matter and shall state whether or not there has been a violation of its prior decision or award. Copies of the decision shall be served, by certified mail or by personal service, upon all parties hereto.

Paragraph 10 - Should the Arbitrator determine that there has been a violation of the Board's prior decision or award, the Arbitrator shall order immediate compliance by the offending party or parties. The Arbitrator may take one or more of the following courses of action in order to enforce compliance with the Board's decision:

- a) The Arbitrator may assess liquidated damages not to exceed \$5,000 for each violation by individual members of, or employees represented by the parties hereto, and may assess liquidated damages not to exceed \$10,000 for each violation by either party hereto, or any of its officers or representatives. If a fine is rendered by the Arbitrator, it should be commensurate with the seriousness of the violation having a relationship to lost hours for the Unions and lost efficiency for the employer. Each of the parties hereto hereby agrees for itself, and its members, to pay to the other party within thirty days any sum, or sums, so assessed because of violations of a decision or award by itself, its officers, or representatives, or its member or members. Should either party to this agreement, or any of its members fail to pay the amount so assessed within thirty days of its assessment, the party or member so failing to pay shall be deprived of all the benefits of this agreement until such time as the matter is adjusted to the satisfaction of the Arbitrator.

- b) It may order cessation of all work by the employers and the employees on the job or project involved.

Paragraph 11 - All Notices under this Agreement shall be in writing and sent by the Administrator of the Joint Conference Board via facsimile or email. For all notifications to affiliates of the Chicago & Cook County Building and Construction Trades Council, the Administrator may rely up the facsimile numbers, addresses and email addresses in the current directory of the Council. For notifications to all contractors and subcontractors, the Administrator may rely on corporate information on the Illinois Secretary of State website or other appropriate databases. Original Notices of all Joint Conference Board decisions will be sent to each of the parties involved via certified mail. The notice provisions shall not include Saturday, Sunday or legal holidays.

Paragraph 12 - The following days shall be recognized as legal holidays: New Years Day, Memorial Day, Independence Day, Labor Day, Thanksgiving Day and Christmas Day.

Paragraph 13 - The Board shall have no authority to undertake any action to enforce its decision after a hearing beyond informing the affected parties of its decision. Rather, it shall be the responsibility of the prevailing party to seek appropriate enforcement of a decision, including findings, orders or awards of the Board determining non-compliance with a prior award or decision. The prevailing party in any enforcement proceeding shall be entitled to recover its costs and attorneys fees from the non-prevailing party. In the event the Board is made a party to, or is otherwise required to participate in any such enforcement proceeding for whatever reason, the non-prevailing party shall bear all costs, attorneys fees, and any other expenses incurred by the Board in those proceedings.

Paragraph 14 - In establishing the jurisdiction of the Joint Conference Board over all parties to the dispute, the primary responsibility for the judicial determination of the arbitrability of a dispute and the jurisdiction of the Joint Conference Board shall be borne by the party requesting the Board to hear the underlying jurisdictional dispute. If all of the parties to the dispute do not attend the arbitration hearing or otherwise agree in writing that the parties are stipulated to the Joint Conference Board and Standard Agreement, the affected party or parties may proceed at the Joint Conference Board even in the absence of one or more parties to the dispute. In such instances, the issue of jurisdiction is an additional item that must be determined in the first instance by the Arbitrator who shall set forth basis of his determination in his decision. The Joint Conference Board may participate in any proceedings seeking a declaration or determination that the underlying dispute is subject to the jurisdiction and process of the Joint Conference Board. In any such proceedings, the non-prevailing party and/or the party challenging the jurisdiction of the Joint Conference Board shall bear all the costs, expenses and attorneys fees incurred by the Board in establishing its jurisdiction. The provision of Paragraph 13 regarding obtaining attorney fees shall apply.

Paragraph 15 - It is agreed by the parties hereto that this agreement shall remain in full force and effect until June 1, 2020 unless otherwise amended by agreement of parties.

IN WITNESS WHEREOF, the parties have caused this document to be executed at Chicago, Illinois this 28th day of May, 2015.

OF GREATER CHICAGO

*Section 1. Declaration of Policy*

Whereas, it is the policy of the Metropolitan Water Reclamation District of Greater Chicago (the "District") to ensure competitive business opportunities for small, minority- and women-owned business enterprises in the award and performance of District contracts, to prohibit discrimination on the basis of race, sex, gender, color, racial group or perceived racial group, disability, age, religion, national origin or ethnicity, sexual orientation, veteran or military discharge status, association with anyone with these characteristics, or any other legally protected characteristic in the award of or participation in District contracts, and to abolish barriers to full participation in District contracts by all person, regardless of race, ethnicity or sex;

Whereas, the District pursuant to its authority under 70 ILCS 2605/11.3, is committed to establishing procedures to implement this policy as well as state and federal regulations to assure the utilization of minority-owned, women-owned and small business enterprises in a manner consistent with constitutional requirements;

Whereas, the District is committed to equal opportunity for minority, women-owned and small businesses to participate in the award and performance of District contracts;

Whereas, the Supreme Court of the United States in *City of Richmond v. J.A. Croson Co.*, 488 U.S. 469 (1989), has enunciated certain standards that are necessary to maintain effective contracting affirmative action programs in compliance with constitutional requirements;

Whereas, the District is committed to implementing its affirmative action program in conformance with the United States Supreme Court's decision in *Croson* and its progeny;

Whereas, in furtherance of this commitment, the Board of Commissioners directed the District staff and its outside consultants in 1990 to conduct an investigation into the scope of any discrimination in the award of and participation in District construction contracts as well as in the construction industry in Metropolitan Chicago, the extent to which such discrimination or the effects thereof has denied and continues to deny minority and women's business enterprises equal opportunity to participate in District contracts and to recommend the appropriate affirmative action steps to be taken to eliminate any such discrimination and its continuing effects.

Whereas, on June 21, 2001, the District adopted its Revised Appendix D, Notice of Requirements for Affirmative Action Program to Ensure Minority, Small and Women's Business Participation ("Appendix D"); and

Whereas, in 2006 the Board of Commissioners undertook a review of Appendix D, the District's contracting policy and operation under Appendix D and an investigation into the existence of continued discrimination against minority and women-owned businesses in the Metropolitan Chicago construction industry to evaluate the continued need for Appendix D and

any necessary revisions thereto; Whereas, the Board of Commissioners undertook a review in 2012 of Appendix D, the District's contracting policy and operation under Appendix D and an investigation into the existence of continued discrimination against minority- and women-owned businesses in the Metropolitan Chicago construction industry to evaluate the continued need for Appendix D and any necessary revisions thereto;

Whereas, in 2014, the Board of Commissioners undertook another review of Appendix D, the District's contracting policy and operation under Appendix D and an investigation into the existence of continued discrimination against minority- and women-owned businesses in the District's geographic and procurement market areas to evaluate the continued need for Appendix D and any necessary revisions thereto. That review resulted in commissioning a comprehensive disparity study conducted by an outside consultant that was finalized in 2015.

## **Section 2. Findings**

The Board of Commissioners, having reviewed the 2015 report of its outside consultant finds:

1. In 2003, the U.S. District Court in *Bullders Association of Greater Chicago v. City of Chicago*, 298 F. Supp.2d 725 (N.D. Ill. 2003) held that the evidence introduced at trial demonstrated that past and current discriminatory practices continue to place MBE and WBE firms at a competitive disadvantage in the award of governmental contracts and such practices have and continue to impede the growth and success of MBEs and WBEs.

2. In 2004, a study of the Metropolitan Chicago Construction Industry by Timothy Bates, Distinguished Professor, Wayne State University, concluded that the evidence that African-American, Hispanic and women-owned businesses have been, and continue to be disadvantaged in the construction industry and small businesses is strong, has remained consistent and that compelling evidence indicates that African-American, Hispanic, and women-owned businesses face barriers in the Metropolitan Chicago construction industry greater than those faced by white males.

3. A November, 2005 study of the Metropolitan Chicago construction industry by David Blanchflower, Professor of Economics at Dartmouth College, has determined that discrimination against Asian-owned businesses existed in the business community in areas of business financing and construction wages and that this, together with evidence of individual discrimination against Asian-owned construction companies, leads to the conclusion that discrimination against Asian owned businesses continues to exist in the Metropolitan Chicago construction industry.

4. In 2005, the U.S. District Court held in *Northern Contracting, Inc. v. Illinois Department of Transportation*, 2005 U.S. Dist. LEXIS 19868 (N.D. Ill. Sept. 8, 2005) that there is strong evidence of the effects of past and current discrimination against MBEs and WBEs in the construction industry in the Chicago area.

5. The trial court's decision was affirmed in *Northern Contracting, Inc. v. Illinois Department of Transportation*, 473 F.3d 715 (7<sup>th</sup> Cir. 2007).

6. In 2006, Board of Commissioners of Cook County, Illinois accepted a report it had commissioned titled, "Review of Compelling Evidence of Discrimination Against Minority- and Women-Owned Business Enterprise in the Chicago Area Construction Industry and Recommendations for Narrowly Tailored Remedies for Cook County, Illinois" (Cook County

2006 Report), which concluded that there is extensive evidence of discrimination against MBEs and WBEs in the Chicago area construction marketplace, and the participation of MBEs and WBEs in the County's construction prime contracts and subcontracts is below the availability of such firms.

7. In 2006, the Illinois State Toll Highway Authority commissioned a study for the availability of Disadvantaged Business Enterprises ("DBEs") in its geographic and procurement markets, to ensure that its DBE program was narrowly tailored as required by constitutional standard, which found 19.56% DBE availability in construction, 19.36% DBE availability in construction-related professional services, and that DBE utilization had steadily increased from 2.40% in 2004 to 24.72% in 2010.<sup>8</sup> The Board of Commissioners of Cook County commissioned a new report, entitled "The Status of Minority and Women-Owned Business Enterprises Relevant to Construction Activity In and Around Cook County, Illinois" (Cook County 2010 Study), which found that MBEs and WBEs were not utilized in all aspects in proportion to their availability.

9. In 2010 the U.S. Department of Justice produced a report to Congress, entitled "Compelling Interest for Race- and Gender-Conscious Federal Contracting Programs: An Update to the May 23, 1996 Review of Barriers to Minority- and Women-Owned Businesses," that updated the original basis for the U.S. Department of Transportation's DBE program and concluded that discriminatory barriers continue to impede the ability of MBEs and WBEs to compete with other firms on a fair and equal footing in government contracting markets, including in the construction industry.

10. In 2012, the District commissioned a report on barriers to construction opportunities in the Chicago area market and recommendations for District efforts to reduce such barriers, which found continuing disparities in the Chicago area construction market.

11. In 2014, The District commissioned its first comprehensive disparity study to investigate barriers to equal opportunities in the District's geographic and industry market areas and make recommendations for District efforts to reduce such barriers, which found continuing disparities in the District's market areas.

12. In 2015, the trial court in *Midwest Fence, Corp. v. U.S. Department of Transportation et al*, 2015 WL 139676 (N.D. Ill. March 24, 2015) (Held that discrimination continues to impede full and fair opportunities for disadvantaged business enterprise in the Illinois construction industry).

13. The District has determined that it has a continuing compelling interest in preventing public funds in construction contracts from perpetuating the effects of past discrimination and current discrimination against minority- and women-owned firms in its market.

14. The Affirmative Action Program adopted by the District is hereby modified to further continue to ameliorate the effects of racial and gender discrimination in the construction market.

15. The remedies adopted herein by the District will not overly burden non-MBE and non-WBE firms in the award of District Contracts.

16. The Commissioners shall periodically review minority-owned and women-owned participation in contracts awarded by the District to ensure that the District continues to have a

compelling interest in remedying discrimination against minority and women-owned firms in the award of District contracts and that the measures adopted herein remain narrowly tailored to accomplish that objective.

Now, therefore, the District Board of Commissioners hereby adopts this Revised Appendix D:

### **Section 3. Purpose and Intent**

The purpose and intent of this Ordinance is to mitigate the present effects of discrimination on the basis of race, ethnicity or sex in opportunities to participate on the District's prime contracts and associated subcontracts and to achieve equitable utilization of minority-owned, women-owned and small business enterprises in District construction contracts.

### **Section 4. Coverage**

The following provisions, to be known as "Appendix D" together with relevant forms, shall apply and be appended to every construction contract awarded by the District where the estimated total expenditure is in excess of \$100,000.00, except contracts let in the event of an emergency pursuant to 70 ILCS 2605/11.5.

### **Section 5. Definitions**

The meaning of these terms in this Ordinance are as follows:

- (a) "Administrator" means the District's Affirmative Action Program Administrator.
- (b) "Affiliate" of a person or entity means a person or entity that directly or indirectly through one or more intermediaries, controls or is controlled by, or is under common control with, the person or entity. In determining Affiliation, the District shall consider all appropriate factors, including common ownership, common management, and contractual relationships.
- (c) "Annual Participation Goals" mean the targeted levels established by the District for the annual aggregate participation of MBEs and WBEs in District construction contracts.
- (d) "Bidder" means an individual, a business enterprise, including a sole proprietorship, a partnership, a corporation, a not for profit corporation, a limited liability company or any other entity which has submitted a bid on a District contract.
- (e) "Books and Records" include, but are not limited to, payroll records, bank statements, bank reconciliations, accounts payable documents, account receivable documents, ledgers, all financial software, and all employer business tax returns.
- (f) "Contract Specific Goals" means the Goals established for a particular project or contract based upon the availability of MBEs or WBEs in the scope(s) of work of the Project.
- (g) "Construction contract" means any District contract or amendment thereto, providing for a total expenditure in excess of One Hundred Thousand Dollars (\$100,000.00) for the construction, demolition, replacement, major repair or renovation and maintenance of real property and improvement thereon or sludge hauling and any other related contract which the District deems appropriate to be subject to Appendix D consistent with the Ordinance.

(h) "Commercially Useful Function" means responsibility for the execution of a distinct element of the work of the contract, which is carried out by actually performing, managing, and supervising the work involved, or fulfilling responsibilities.

(i) "Contract Goals" means the numerical percentage goals for MBE, WBE or SBE participation to be applied to an eligible District construction contract subject to Appendix D for the participation of MBEs, WBEs and SBEs, based upon the scopes of work of the contract, the availability of MBEs, WBEs and SBEs to meet the goals, and the District's progress towards meeting its Annual MBE, WBE and SBE goals.

(j) "Director" means the District's Director of Procurement and Materials Management, formerly known as the Purchasing Agent.

(k) "Economically Disadvantaged" means an individual with a Personal Net Worth less than \$2,000,000.00, indexed annually for the Chicago Metro Area Consumer Price Index, published by the U.S. Department of Labor, Bureau of Labor Standards, beginning January 2008.

(l) "Executive Director" means the chief administrative officer of the District, formerly known as the General Superintendent.

(m) "Expertise" means demonstrated skills, knowledge or ability to perform in the field of endeavor in which certification is sought by the firm as defined by normal industry practices, including licensure where required.

(n) "Good Faith Efforts" means those honest, fair and commercially reasonable actions undertaken by a contractor to meet the MBE or WBE goal, which by their scope, intensity, and appropriateness to the objective, can reasonably be expected to fulfill the Program's goals.

(o) "Hearing Officer" is an attorney licensed to practice in the State of Illinois, appointed by the Board of Commissioners, to conduct hearings as provided in this Ordinance regarding a contractor's compliance or non-compliance with this Ordinance.

(p) "Joint Venture" means an association of two or more persons, or any combination of types of business enterprises and persons numbering two or more, proposing to perform a single for profit business enterprise, in which each Joint Venture partner contributes property, capital, efforts, skill and knowledge, and in which the certified firm is responsible for a distinct, clearly defined portion of the work of the contract and whose share in the capital contribution, control, management, risks, and profits of the Joint Venture are equal to its ownership interest. Joint Ventures must have an agreement in writing specifying the terms and conditions of the relationships between the partners and their relationship and responsibility to the contract.

(q) "Job Order Contract" or "JOC" means a firm, fixed price, indefinite quantity contract designed to complete a large number of construction projects quickly.

(r) "Local business" means a business located within the counties of Cook, DuPage, Kane Lake, McHenry or Will in the State of Illinois or Lake County in the State of Indiana which has the majority of its regular full-time work force located in this region or a business which has been placed on the District's vendor list or has bid on or sought District construction work.

(s) "Minority-owned business enterprise" or "MBE" means a Local Small business entity, including a sole proprietorship, partnership, corporation, limited liability company, Joint Venture or any other business or professional entity, which is at least fifty-one percent (51%) owned by one or more members of one or more minority groups, or, in the case of a publicly held

corporation, at least fifty-one percent (51%) of the stock of which is owned by one or more members of one or more minority groups, and whose management, policies, major decisions and daily business operations are controlled by one or more Minority Individuals.

(t) "Minority Individual" means a natural person who is a citizen of the United States or lawful permanent resident of the United States and one of the following:

(i) African-American - A person having origins in any of the Black racial groups of Africa and is regarded as such by the African American Community of which the person claims to be a part.

(iii) Asian-American - A person having origins in any of the original peoples of the Far East, Southeast Asia, the Indian Subcontinent, or the Pacific Islands or the Northern Marianas, and is regarded as such by the Asian American community of which the person claims to be a part.

(ii) Hispanic-American - A person having origins from Mexico, Puerto Rico, Cuba and South or Central America and is regarded as such by the Hispanic community of which the person claims to be a part, regardless of race.

(iv) Native-American - A person having origins in any of the original peoples of North America and who is recognized through tribal certification as a Native American by either a tribe or a tribal organization recognized by the Government of the United States of America.

(v) Individual members of other groups whose participation is required under state or federal regulations or by court order.

(vi) Individual members of other groups found by the District to be Socially Disadvantaged by having suffered racial or ethnic prejudice or cultural bias within American society, without regard to individual qualities, resulting in decreased opportunities to compete in the District's marketplace or to do business with the District.

(u) "Personal Net Worth" means the net value of the assets of an individual after total liabilities are deducted. An individual's personal net worth does not include the individual's ownership interest in an applicant or other certified MBE or WBE, provided that the other firm is certified by a governmental agency that meets the District's eligibility criteria or the individual's equity in his or her primary place of residence. As to assets held jointly with his or her spouse or recognized civil partner, an individual's personal net worth includes only that individual's share of such assets. An individual's net worth also includes the present value of the individual's interest in any vested pension plans, individual retirement accounts, or other retirement savings or investment programs less the tax and interest penalties that would be imposed if the asset were distributed at the present time.

(v) "Prime Contractor" means a Contractor that is awarded a District contract and is at risk for the completion of an entire District project, including purchasing all materials, hiring and paying subcontractors, and coordinating all the work.

(w) "Small Business Enterprise" or "SBE" means a small business as defined by the U.S. Small Business Administration (SBA), pursuant to the business size standards found in 13 CFR Part 121, relevant to the scope(s) of work the firm seeks to perform on District contracts, except that the size standard for specialty trade construction firms shall be 150 percent of the SBA size standard. A firm is not an eligible SBE in any calendar fiscal year in which its gross receipts, averaged over the firm's previous five fiscal years, exceed the size standards of 13 CFR Part 121.

(x) "Socially Disadvantaged" means a Minority Individual or Woman who has been subjected to racial, ethnic or gender prejudice or cultural bias within American society because of his or her identity as a member of a group and without regard to individual qualities. Social disadvantage must stem from circumstances beyond the individual's control. A Socially Disadvantaged individual must be a citizen or lawfully admitted permanent resident of the United States.

(y) "Subcontractor" means a party that enters into a subcontract agreement with a District Prime Contractor to perform work or provide materials on a District project.

(z) "Tier" refers to the relationship of a subcontractor to the prime contractor. A subcontractor having a contract with the prime contractor, including a material supplier to the prime contractor, is considered a "first-tier subcontractor," while a subcontractor's subcontractor is a "second-tier subcontractor" and the subcontractor's material supplier is a "third-tier subcontractor." The subcontractor is subject to the same duties, obligations and sanctions as the contractor under this Ordinance.

(aa) "Utilization Plan" means the plan, in the form specified by the District, which must be submitted by a Bidder listing the MBEs, WBEs and SBE that the Bidder intends to use in the performance of a contract; the scopes of the work and the dollar values or the percentages of the work to be performed.

(bb) "Vendor list" means the District's list of firms that are certified as minority-owned or women-owned by the City of Chicago, the County of Cook, the State of Illinois, the Women's Business Development Center, or the Chicago Minority Supplier Development Council, or as a Disadvantaged Business Enterprise by the Illinois Unified Certification Program, or as a Small Disadvantaged Business by the U.S. Small Business Administration.

(cc) "Women-owned business enterprise" or "WBE" means a Local and Small business entity which is at least fifty-one percent (51%) owned by one or more women, or, in the case of a publicly held corporation, fifty-one percent (51%) of the stock of which is owned by one or more women, and whose management and daily business operations are controlled by one or more women. Determination of whether a business is at least fifty-one percent (51%) owned by a woman or women shall be made without regard to community property laws.

#### **Section 6. Non-Discrimination and Affirmative Action Clause**

As a precondition to selection, a Contractor must include in its bid proposal for a covered contract the following commitments:

During the performance of this contract, the Contractor agrees:

(a) It shall not discriminate on the basis of race, sex, gender, color, racial group or perceived racial group, disability, age, religion, national origin or ethnicity, sexual orientation, veteran or military discharge status, association with anyone with these characteristics, or any other legally protected characteristic in the solicitation for or purchase of goods in the performance of this contract.

(b) It shall actively solicit bids for the purchase or subcontracting of goods or services from qualified MBEs, WBEs and SBEs.

(c) It shall undertake Good Faith Efforts in accordance with the criteria established in this Ordinance, to ensure that qualified MBEs, WBE, and SBEs are utilized in the performance of this contract and share in the total dollar value of the contract in accordance with each of the applicable utilization goals established by the District for the participation of qualified MBEs, WBEs and SBEs.

(d) It shall require its subcontractors to make similar good faith efforts to utilize qualified MBEs, WBEs and SBEs.

(e) It shall maintain records and furnish the District all information and reports required by the District for monitoring its compliance with this Ordinance.

(f) It shall designate a person to act as an Affirmative Action Coordinator to facilitate the review of all concerns related to the participation MBEs, WBEs and SBEs.

**Section 7. Race- and Gender- Neutral Measures to Ensure Equal Opportunities for All Contractors and Subcontractors**

The District shall develop and use measures to facilitate the participation of all firms in District construction contracting activities. These measures shall include, but are not limited to:

(a) Unbundling contracts to facilitate the participation of MBEs, WBEs and SBEs as Prime Contractors.

(b) Arranging solicitation times for the presentations of bids, specifications, and delivery schedules to facilitate the participation of interested contractors and subcontractors.

(c) Providing timely information on contracting procedures, bid preparation and specific contracting opportunities, including through an electronic system and social media.

(d) Assisting MBEs, WBEs and SBEs with training seminars on the technical aspects of preparing a bid for a District contract.

(e) Providing assistance to businesses in overcoming barriers such as difficulty in obtaining bonding and financing, and support for business development such as accounting, bid estimation, safety requirements, quality control.

(f) Prohibiting Prime Contractors from requiring bonding for subcontractors, where appropriate.

(g) Holding pre-bid conferences, where appropriate, to explain the contract and to encourage Bidders to use all available firms as subcontractors.

(h) Adopting prompt payment procedures, including, requiring by contract that Prime Contractors promptly pay subcontractors and investigating complaints or charges of excessive delay in payments.

(i) Developing Linked Deposit and other financing and bonding assistance programs to assist small firms.

(j) Reviewing retainage, bonding and insurance requirements and their application to bid calculations to eliminate unnecessary barriers to contracting with the District.

(k) Collecting information from Prime Contractors on District construction contracts detailing the bids received from all subcontractors for District on construction contracts and the expenditures to subcontractors utilized by Prime Contractors on District construction contracts.

(l) Limiting the self-performance of prime contractors, where appropriate.

(m) To the extent practicable, developing future policies to award contracts to SBEs.

(n) Maintaining information on all firms bidding on District prime contracts and subcontracts.

(o) At the discretion of the Board of Commissioners, awarding a representative sample of District construction contracts without goals, to determine MBE, WBE and SBE utilization in the absence of goals.

(p) Referring complaints of discrimination against MBEs, WBEs or SBEs to the appropriate authority for investigation and resolution.

#### Section 8. Certification Eligibility

(a) Only businesses that meet the criteria for certification as a MBE, WBE or SBE may be eligible for credit towards meeting Utilization Contract Goals. The applicant has the burden of production and persuasion by a preponderance of the evidence at all stages of the certification process.

(b) Only a firm owned by a Socially and Economically Disadvantaged person(s) may be certified as a MBE or WBE.

(i) The firm's ownership by a Socially and Economically Disadvantaged person(s) must be real, substantial, and continuing, going beyond *pro forma* ownership of the firm as reflected in ownership documents. The owner(s) must enjoy the customary incidents of ownership and share in the risks and profits commensurate with that ownership interest.

(ii) The contributions of capital or Expertise by the Socially and Economically Disadvantaged owner(s) to acquire the ownership interest must be real and substantial. If Expertise is relied upon as part of a Socially and Economically Disadvantaged owner's contribution to acquire ownership, the Expertise must be of the requisite quality generally recognized in a specialized field, in areas critical to the firm's operations, indispensable to the firm's potential success, specific to the type of work the firm performs and documented in the firm's records. The individual whose Expertise is relied upon must have a commensurate financial investment in the firm.

(c) Only a firm that is managed and controlled by a Socially and Economically Disadvantaged person(s) may be certified as a MBE or WBE.

(i) A firm must not be subject to any formal or informal restrictions that limit the customary discretion of the Socially and Economically Disadvantaged owner(s). There can be no restrictions through corporate charter provisions, by-law provisions, contracts or any other formal or informal devices that prevent the Socially and Economically Disadvantaged owner(s), without the cooperation or vote of any non-Socially and Economically Disadvantaged person, from making any business decision of the firm, including the making of obligations or the dispersing of funds.

(ii) The Socially and Economically Disadvantaged owner(s) must possess the power to direct or cause the direction of the management and policies of the firm and to make day-to-day as well as long term decisions on management, policy, operations and work.

(iii) The Socially and Economically Disadvantaged owner(s) may delegate various areas of the management or daily operations of the firm to persons who are not Socially and Economically Disadvantaged. Such delegations of authority must be revocable, and the Socially and Economically Disadvantaged owner(s) must retain the power to hire and fire any such person. The Socially and Economically Disadvantaged owner(s) must actually exercise control over the firm's operations, work, management and policy.

(iv) The Socially and Economically Disadvantaged owner(s) must have an overall understanding of, and managerial and technical competence, experience and Expertise, directly related to the firm's operations and work. The Socially and Economically Disadvantaged owner(s) must have the ability to intelligently and critically evaluate information presented by

other participants in the firm's activities and to make independent decisions concerning the firm's daily operations, work, management, and policymaking.

(v) If federal, state and/or local laws, regulations or statutes require the owner(s) to have a particular license or other credential to own and/or control a certain type of firm, then the Socially and Economically Disadvantaged owner(s) must possess the required license or credential. If state law, District ordinance or other law regulations or statute does not require that the owner possess the license or credential, that the owner(s) lacks such license or credential is a factor, but is not dispositive, in determining whether the Socially and Economically Disadvantaged owner(s) actually controls the firm.

(vi) A Socially and Economically Disadvantaged owner cannot engage in outside employment or other business interests that conflict with the management of the firm or prevent the owner from devoting sufficient time and attention to the affairs of the firm to manage and control its day to day activities.

(d) Only an independent firm may be certified as a MBE, WBE or SBE. An independent firm is one whose viability does not depend on its relationship with another firm. Recognition of an applicant as a separate entity for tax or corporate purposes is not necessarily sufficient to demonstrate that a firm is independent and non-Affiliated. In determining whether an applicant is an independent business, the Director will:

(i) Evaluate relationships with non-certified firms in such areas as personnel, facilities, equipment, financial and/or bonding support, and other resources.

(ii) Consider whether present or recent employer/employee relationships between the Socially and Economically Disadvantaged owner(s) of the applicant for MBE or WBE certification or any owners of the applicant for SBE certification and non-certified firms or persons associated with non-certified firms compromise the applicant's independence.

(iii) Examine the applicant's relationships with non-certified firms to determine whether a pattern of exclusive or primary dealings with non-certified firm compromises the applicant's independence.

(iv) Consider the consistency of relationships between the applicant and non-certified firms with normal industry practice.

(e) An applicant shall be certified only for specific types of work in which the Socially and Economically Disadvantaged owner(s) for MBEs and WBEs or the majority owner for SBEs has the ability and Expertise to manage and control the firm's operations and work.

(f) The District shall certify the eligibility of Joint Ventures involving MBEs, WBEs or SBEs and non-certified firms.

(g) The certification status of all MBEs, WBEs and SBEs shall be reviewed periodically by the Administrator. Failure of the firm to seek recertification by filing the necessary documentation with the Administrator as provided by rule may result in decertification.

(h) It is the responsibility of the certified firm to notify the Administrator of any change in its circumstances affecting its continued eligibility. Failure to do so may result in the firm's decertification.

(i) The Administrator shall decertify a firm that does not continuously meet the eligibility criteria.

(j) Decertification by another agency shall create a *prima facie* case for decertification by the District. The challenged firm shall have the burden of proving by a preponderance of the evidence that its District certification should be maintained.

(k) A firm that has been denied certification or recertification or has been decertified may protest the denial or decertification by filing a written appeal with the Executive Director within

10 calendar days of receipt of the denial of District certification, recertification or decertification. The appeal should set forth in detail the facts upon which it is based, and attach all relevant documentations. The Executive Director shall render a decision within 15 calendar days of receipt of a timely appeal. The Executive Director's decision shall be final.

(l) A firm found to be ineligible may not apply for certification for two years after the effective date of the final decision.

#### **Section 9. Schedule of Goals for Minority-Owned, Women-Owned and Small Business Enterprise Utilization**

In fulfillment of its policy to provide MBEs, WBEs, and SBEs full and equitable opportunities to participate in the District's construction prime contracts and subcontracts, the District shall establish annually goals for MBE, WBE and SBE participation, based on the availability of MBEs and WBEs in the District's geographic and procurement market.

#### **Section 10. Contract Goals.**

(a) The Director, in consultation with the Administrator and the User Department, shall establish Contract Goals for construction contracts based upon the availability of at least three MBEs and three WBEs registered on the District's vendor list to perform the anticipated subcontracting functions of the contract and the District's utilization of MBEs and WBEs to date.

(b) Where a substantial portion of the total construction contract cost is for the purchase of equipment, the Director may designate goals for only that portion of the contract relating to construction work and related supplies and/or modify the limitations on the credit for MBE or WBE suppliers herein.

(c) The Contract Goal(s) shall be designated in the contract documents.

#### **Section 11. Counting MBE, WBE, and SBE Participation towards Contract Goals**

(a) A Bidder may achieve the Utilization Contract Goals by its status as a MBE, WBE or SBE or by entering into a Joint Venture with one or more MBEs, WBEs and SBEs or by first-tier subcontracting a portion of the work to one or more MBEs, WBEs and SBEs or by direct purchase of materials or services from one or more MBEs, WBEs and SBEs or by any combination of the above.

(b) If a firm is certified as both a MBE and a WBE, the Bidder may count the firm's participation either toward the achievement of its MBE or WBE goal, but not both.

(c) A Bidder may count toward the achievement of its SBE goal the utilization of any MBE or WBE that also satisfies the definition of a SBE.

(d) A Bidder may count the entire amount of that portion of a contract that is performed by MBEs, WBEs or SBEs own forces, including the cost of supplies and materials obtained and installed by the MBE, WBE or SBE for the work of the contract, and supplies purchased or equipment leased by the MBE, WBE or SBE used to directly perform the work of the contract (except supplies and equipment the MBE, WBE or SBE purchases or leases from the Prime Contractor or the Prime Contractor's Affiliate).

(e) Where a Bidder or first-tier subcontractor engages in a Joint Venture to meet the Contract Goal, the Administrator shall review the profits and losses, initial capital investment,

actual participation of the Joint Venture in the performance of the contract with its own forces and for which it is separately at risk, and other pertinent factors of the joint venture, which must be fully disclosed and documented in the Utilization Plan in the same manner as for other types of participation, to determine the degree of MBE, WBE or SBE participation that will be credited towards the Contract Goal. The Joint Venture's Utilization Plan must evidence how it will meet the goal or document the Bidder's Good Faith Efforts to do so. The Administrator has the authority to review all records pertaining to Joint Venture agreements before and after the award of a contract in order to assess compliance with this Ordinance. The MBE, WBE or SBE Joint Venture partner must have a history of proven expertise in performance of a specific area of work and will not be approved for performing only general management of the Joint Venture. The specific work activities for which the MBE, WBE or SBE Joint Venture partner will be responsible and the assigned individuals must be clearly designated in the Joint Venture Agreement. The Joint Venture must submit to the Administrator quarterly work plans, including scheduling dates of the tasks. The Administrator must approve the quarterly plans for the MBE, WBE or SBE Joint Venture partner's participation to be credited towards the Contract Goals.

(f) Only the participation of MBEs, WBEs or SBEs that will perform as first-tier subcontractors will be counted towards meeting the Utilization Contract Goals.

(g) Only expenditures to a MBE, WBE or SBE that is performing a Commercially Useful Function shall be counted towards the Utilization Contract Goal.

(i) A firm is considered to perform a commercially useful function when it is responsible for execution of a distinct element of the work of a contract and carries out its responsibilities by actually performing, managing, and supervising the work involved. The firm must pay all costs associated with personnel, materials and equipment. The firm must be formally and directly responsible for the employment, supervision and payment of its workforce must own and /or lease equipment, and must be responsible for negotiating price, determining quality and quantity and paying for and ordering materials used. The firm cannot share employees with the Prime Contractor or its Affiliates. No payments for use of equipment or materials by the firm can be made through deductions by the Prime Contractor. No family members who own related businesses are allowed to lease, loan or provide equipment, employees or materials to the firm.

(ii) A firm does not perform a commercially useful function if its role is limited to that of an extra participant in a transaction through which funds are passed in order to obtain the appearance of MBE, WBE or SBE participation. The Prime Contractor is responsible for ensuring that the firm is performing a commercially useful function.

(iii) The District will evaluate the amount of work subcontracted, industry practices, whether the amount the MBE, WBE or SBE is to be paid under the contract is commensurate with the work it is actually performing and other relevant factors.

(iv) If a firm subcontracts a greater portion of the work of a contract than would be expected based on normal industry practice, it is presumed not to perform a Commercially Useful Function. When a firm is presumed not to be performing a Commercially Useful Function, the firm may present evidence to rebut this presumption.

(h) Credit towards the Contract Goals will be allowed only for those direct services performed or materials supplied by MBEs, WBEs or SBEs or first-tier subcontractor MBEs, WBEs or SBEs. MBEs, WBEs or SBEs must perform no less than eighty-five percent (85%) of

their work with their own forces, through the use of its own management and supervision, employees and equipment. If industry standards and practices differ, the firm must furnish supporting documentation for consideration by the District.

(i) Purchase of materials and supplies must be pre-approved if their purchase is related to goal attainment. Bidder may count payments to MBE, WBE or SBE regular dealers or manufacturers who offer only furnish and deliver contracts for materials and supplies for no more than twenty-five percent (25%) of each MBE, WBE or SBE goal, unless approved by the Administrator. If the bidder exceeds the supplier exception amount allowable as stated in the bid documents, the bid will be viewed as non-responsive.

(j) A dealer is a firm that owns, operates, or maintains a store, warehouse, or other establishment in which the materials or supplies required for performance of the contract are bought, kept in stock, and regularly sold to the public in the usual course of business. To be a regular dealer, the firm must engage in, as its principal business, and in its own name, the purchase and sale of the products in question. A regular dealer in such bulk items as steel, cement, gravel, stone, and petroleum products need not keep such products in stock, if it owns or operates distribution equipment. Brokers and packagers shall not be regarded as manufacturers or regular dealers within the meaning of this section. A manufacturer is a firm that operates or maintains a factory or establishment that produces on the premises the materials or supplies obtained by the Bidder.

(k) If a firm ceases to be a certified during its performance on a contract, the dollar value of work performed under a contract with that firm after it has ceased to be certified shall not be counted.

(l) In determining achievement of Utilization Contract Goals, the participation of a MBE, WBE or SBE shall not be counted until that amount has been paid to the MBE, WBE or SBE.

## **Section 12. Utilization Plan Submission**

(a) Compliance documents must be submitted as provided in the solicitation. Failure to do so will render the bid non-responsive. The Director shall review each bid submission to determine if it meets the requirements herein.

(b) A Bidder must either meet the Utilization Contract Goals or establish its Good Faith Efforts to do so as described in Appendix D and the solicitation.

(c) Each Bidder shall submit with its bid a completed and signed Utilization Plan that lists the names, addresses, telephone numbers, email addresses and a description of the work with contract item number and contact person of the businesses intended to be used as subcontractors, subconsultants and suppliers, including those firms proposed to meet the Contract Goal(s); the type of work or service each business will perform; and the dollar amount to be allocated to the certified firm(s). Each Bidder's Utilization Plan shall commit to MBE, WBE or SBE participation equal to or greater than each of the Contract Goals set forth in the solicitation, unless the Bidder requests a partial or total waiver of the requirement that it file a Utilization Plan or achieve a particular goal by submitting with the bid a signed Waiver Request in the form specified in the solicitation.

(d) Each Bidder must submit with its bid a signed MBE, WBE or SBE Subcontractor's Letter of Intent for each firm in the form specified in the solicitation, with either a copy of each MBE, WBE or SBEs current Letter of Certification from a state or local government or agency

or documentation demonstrating that the firm is a MBE, WBE or SBE within the meaning of this Appendix D. In the event of a conflict between the amounts stated on the Utilization Plan and the MBE, WBE or SBE Subcontractor's Letter of Intent, the terms stated on the Utilization Plan shall control. An original or facsimile copy of the MBE, WBE or SBE Subcontractor's Letter of Intent will be acceptable.

(e) Where a Bidder had failed to meet the Contract Goal(s), it must file a Waiver Request documenting its Good Faith Efforts to meet the Goal(s) as provided in the format described in the solicitation, the Administrator shall require the contractor to file a Contractor Information Form and provide additional documentation of its good faith efforts in attempting to fulfill such goals.

(i) Such Good Faith Efforts, as defined herein, shall include, but are not limited to, the following:

(i) Attend any pre-bid conference conducted by the District to acquaint contractors with MBEs, WBEs and SBEs available to provide relevant goods and services and to inform MBEs, WBEs and SBEs of subcontract opportunities on the contract;

(ii) Review lists of available MBEs, WBEs and SBEs maintained by the District and other state and local governments and agencies prior to the bid opening to identify qualified MBEs, WBEs and SBEs for solicitation for bids;

(iii) Advertise, not less than 15 calendar days before the bid opening date, in one or more daily newspapers and/or trade publications, for proposals or bids by MBEs, WBEs and SBEs for subcontracts or the supply of goods and services on the contract;

(iv) Make timely written solicitations of available MBEs, and WBEs and SBEs identified on the District's vendor list that provide relevant services for subcontracts or the supply of goods and services;

(v) Provide MBEs, WBEs and SBEs with convenient and timely opportunities to review and obtain relevant plans, specifications or terms and conditions of the contract to enable such MBEs, WBEs and SBEs to prepare an informed response to a contractor solicitation;

(vi) Divide total contract requirements into small tasks or quantities and adjust performance bond and insurance requirements or otherwise assist MBEs, WBEs and SBEs in obtaining the required bonding, insurance or financing, where economically feasible, to encourage participation of MBEs, WBEs and SBEs;

(vii) Follow up initial solicitation of MBEs, WBEs and SBEs by contacting them to determine if the enterprises are interested in making bids or proposals;

(viii) Negotiate in good faith with MBEs, WBEs and SBEs prior to the bid opening and do not reject as unsatisfactory any bids or proposals submitted by M/WBEs without justifiable reason, including the lack of bonding capacity or the ability to obtain insurance requirements such as Completed Builders Risk (All Risk) Insurance, Comprehensive General Liability Insurance, Contractor Contractual Liability Insurance and Public Liability Insurance;

(ix) Establish delivery schedules, where the requirements of the work permit, which will encourage participation by MBEs, WBEs and SBEs;

(x) Establish joint ventures with MBEs, WBEs and SBEs;

(xi) Use the services and assistance of the District, the Small Business Administration, the Office of Minority Business Enterprises of the U.S. Department of Commerce and appropriate community and minority and women's business organizations;

(ii) Failure of a Bidder to provide requested information to the Administrator or to cooperate with the Administrator's investigation, may be grounds for the rejection of a bid and/or a Waiver request.

(iii) Upon completion of the investigation, the Administrator shall inform the Director of his or her findings.

(iv) The Director, after consultation with the Administrator, shall determine whether to grant the waiver request based on the Bidder's Good Faith Efforts at the time of bid submission.

(v) Where the Director determines that a Bidder has not made Good Faith Efforts, the Director shall declare the bid submission non-responsive and will reject the bid.

(d) A contractor's submission of a Utilization Plan that commits to a MBE or WBE participation equal to or greater than the applicable utilization goals shall not provide a basis for a higher bid, an increase in contract price or a later change order.

(e) The requirement to submit a Utilization Plan and MBE, WBE or SBE Subcontractor's Letters of Intent applies when the individual project is awarded under Job Order Contracts awarded by the District.

(i) A Prime Contractor issued a Job Order Contract shall submit with each work order issued under such a Contract its Utilization Plan that lists the name, address, telephone number, email address and contact person for each MBE, WBE or SBE to be used on the work order, as well as a description of work to be performed and a dollar amount to be allocated to such MBE, WBE or SBE. The Prime Contractor shall submit with each work order a MBE, WBE or SBE Subcontractor's Letter of Intent from each certified firm.

(ii) A Prime Contractor awarded a Job Order Contract shall be subject to the compliance monitoring provisions herein. The Prime Contractor must submit to the Administrator monthly documentation, as specified by the Administrator, demonstrating that the Contractor has attained the Contract Goals for the completed portion of the Job Order Contract, or that it has been unable to do so despite its good faith efforts. Good Faith Efforts must be documented as provided in this Ordinance.

### **Section 13. Compliance Review**

(a) The Director shall declare the bid submission non-responsive if a Bidder:

(i) Failed to submit with its bid a completed and signed Utilization Plan;

(ii) Failed to commit in its Utilization Plan to MBE, WBE and SBE participation equal to or greater than each of the Utilization Contract Goals unless the Bidder submitted with its bid a request for a total or partial waiver of the Goal(s).

(iii) Failed to identify in its Utilization Plan the MBE, WBE or SBE by name, scope of work, contract item number, and dollar value of work or percentage of participation equal to or greater than each of the Contract Goal(s).

(iv) Failed to submit with its bid the MBE, WBE and SBE Subcontractor's Letter of Intent from each MBE, WBE and SBE listed on its Utilization Plan.

(b) Where, after consultation with the Administrator, the Director determines that the Utilization Plan submitted by a Bidder is false or fraudulent, the bid shall be rejected or, if the determination is made after the bid award, the contract may be forfeited in accordance with the provision of Article 28 of the General Conditions.

(c) If a Mentor-Protégé relationship is proposed to meet the Contract Goal, the Mentor-Protégé Development Plan must be submitted to the Administrator for approval prior to contract award. Mentor-Protégé relationship" describes an association between large business prime contractor firms and socially disadvantaged firms designed to motivate, encourage and to provide mutually beneficial developmental assistance to those socially disadvantaged firms.

(d) Prior to the award of any contract, the Administrator shall review the Utilization Plan, MBE, WBE and SBE Subcontractor's Letter(s) of Intent and Letter(s) of Certification, and Contractor Information and Waiver Request Forms as specified in the solicitation, submitted by the apparent low bidder on a contract and conduct any other investigation the Administrator deems appropriate to determine compliance.

(e) Within 30 calendar days after demand, the Prime Contractor shall furnish executed copies of all MBE, WBE and SBE subcontracts to the Administrator. Subsequently, the contractor shall obtain and submit a copy of all MBE, WBE and SBE related subtier contracts on demand.

(f) The Prime Contractor shall set timetables for use of its subcontractors before fifty percent (50%) of the work is completed.

(g) If requested by the Administrator, the Prime Contractor must submit a MBE, WBE and SBE Work Plan projecting the work tasks associated with certified firms' commitments prior to the award of the contract. The Work Plan must provide a description of the work to be subcontracted to other MBEs, WBEs and SBEs and non-certified firms and the dollar amount and the name of the all tiers of subcontractors. The Work Plan becomes part of the Prime Contractor's contractual commitment and the contract record, and may not be changed without prior approval of the Administrator.

#### **Section 14. Contract Performance Compliance**

(a) After the award of a contract, the Administrator shall review the Prime Contractor's compliance with its MBE, WBE and SBE commitments during the performance of the contract.

(b) The Prime Contractor shall be required to submit the Affirmative Action Monthly MBE/WBE/SBE Status Report providing the information and in the format as specified by the District with every payment request. The Contractor's failure to do so may result in a delay of the progress payment.

(c) Evidence of MBE, WBE and SBE subcontractor participation and payments must be submitted as required by the District to confirm subcontractors' participation and payment.

(d) District contract compliance officers and auditors, or their designees, shall have access to the contractor's and subcontractor's books and records, including certified payroll records, bank statements, employer business tax returns and all records including all computer records and books of account to determine the contractor and MBE, WBE and SBE subcontractor compliance with the goal commitment. Audits may be conducted at any time and without notice in the total discretion of the District. A Prime Contractor must provide the Administrator any additional compliance documentation within 14 calendar days of such request. Audits may be conducted without notice at any time at the discretion of the District.

(e) If District personnel observe that any purported MBE, WBE and SBE subcontractor other than those listed on the Utilization Plan are performing work or providing materials and/or equipment for those MBE and WBE subcontractors listed on the Utilization Plan, the Prime Contractor will be notified in writing of an apparent violation is taking place and progress payments may be withheld. The contractor will have the opportunity to meet with the Affirmative Action Administrator prior to a finding of noncompliance.

(f) Where a partial or total waiver of the Contract Goal(s) has been granted, the Prime Contractor must continue to make Good Faith Efforts during the performance of the contract to meet the Goal(s), and the Administrator shall provide technical assistance with respect to such efforts. The Administrator shall require the Prime Contractor to provide documentation of its continuing Good Faith Efforts in attempting to fulfill its commitments.

(g) The Prime Contractor cannot make any changes to the approved Utilization Plan or substitutions of the MBE(s), WBE(s) or SBE(s) listed in the Utilization Plan throughout the life of the contract without the prior, written approval of the Administrator. This includes, but is not limited to, instances in which the Prime Contractor seeks to perform work originally designated for a MBE, WBE or SBE subcontractor with its own forces or those of an affiliate, a non-certified firm or another MBE, WBE or SBE. Failure to obtain the prior, written approval of the Administrator in the format specified by the District shall constitute a breach of the contract, and subject the Prime Contractor to any and all available sanctions. The participation of certified firms that did not receive prior, written approval by the Administrator will not be counted towards the Contract Goal(s).

(i) The Prime Contractor must demonstrate good cause to terminate or reduce the scope of work of the MBE, WBE or SBE to the satisfaction of the Administrator. Good cause is limited to the following circumstances:

(1) The listed MBE, WBE, or SBE subcontractor fails or refuses to execute a written contract.

(2) The listed MBE, WBE or SBE subcontractor becomes bankrupt, insolvent or exhibits credit unworthiness.

(3) The listed MBE, WBE or SBE is ineligible to work on public works projects because of suspension and debarment proceedings pursuant to federal or state or local law.

(4) The Administrator has determined that the listed MBE, WBE or SBE subcontractor is not a responsible contractor.

(5) The listed MBE, WBE or SBE subcontractor voluntarily withdraws from the project and provides the Administrator written notice of its withdrawal.

(6) The listed MBE, WBE or SBE subcontractor is ineligible to receive credit for the type of work required.

(7) The MBE, WBE or SBE owner dies or becomes disabled with the result that the listed MBE, WBE or SBE subcontractor is unable to complete its work on the contract.

(8) Other good cause as determined in the Administrator's sole discretion.

(ii) Good cause does not include where the Contractor seeks to terminate a MBE, WBE or SBE it relied upon to obtain the contract so that the Contractor can self-perform the work or substitute another MBE, WBE or SBE or non-certified subcontractor to perform the work for which the MBE, WBE or SBE was engaged or listed on the Utilization Plan.

(iii) The Prime Contractor must give the MBE, WBE or SBE notice in writing, with a copy to the Administrator, of its intent to request to terminate and/or substitute, and the detailed reasons for the request.

(iv) If the Prime Contractor proposes to terminate or substitute a MBE, WBE or SBE subcontractor for any reason, the Contractor must make Good Faith Efforts as defined herein to find a substitute MBE, WBE or SBE subcontractor for the original MBE, WBE or SBE to meet its MBE, WBE or SBE contractual commitment. Its Good Faith Efforts shall be directed at finding another MBE, WBE or SBE to perform or provide at least the same amount of work, material or service under the contract as the original MBE, WBE or SBE to the extent necessary to meet its MBE, WBE or SBE contractual commitment.

(v) The Prime Contractor must submit a MBE, WBE or SBE Subcontractor's Letter of Intent for each proposed new MBE, WBE or SBE subcontractor.

(vi) The Administrator will approve or disapprove the substitution based on the Prime Contractor's documented compliance with these provisions.

(h) In the event a Prime Contractor fails to achieve the level of MBE, WBE or SBE participation described in its Utilization Plan as the result of the District's deletion of the work to be performed by a MBE, WBE or SBE, the Prime Contractor shall notify the Administrator in writing and may request an amendment of its Utilization Plan. A letter of release signed by the subcontractor must be included with the request.

(i) In the event a Prime Contractor, in the performance of its contract, determines that the conditions of the work warrant a reduction in the scope of work to be performed by a MBE, WBE or SBE the Prime Contractor must utilize Good Faith Efforts to fulfill its MBE, WBE or SBE contractual commitment. The Prime Contractor must notify the Administrator in writing within 14 calendar days of the determination to request an amendment of its Utilization Plan. The Prime Contractor must give the MBE, WBE or SBE notice in writing, with a copy to the Administrator, of its intent to request to reduce the scope of work, and the detailed reasons for the request. The Administrator will approve or disapprove the reduction based on the Prime Contractor's documented compliance with these provisions.

(j) Where contract change orders are made individually or in the aggregate that increase the total value of the contract by more than ten percent (10%) of the original contract value, the

Prime Contractor shall increase the utilization of all MBEs, WBEs or SBEs, where feasible, so that the total value of the percentage of work performed by MBEs, WBEs or SBEs as to increased contract value bears the same relationship to the total value of the contract (as modified by change orders) as the percentage of MBEs, WBEs or SBEs utilization committed to in the contractor's original Utilization Plan.

#### **Section 15. Sanctions for Non-Compliance**

(a) Where the Administrator believes that the Prime Contractor or subcontractor has committed fraud or misrepresentation against the District or has failed to comply with this Ordinance or its contract, or provided false or fraudulent documentation, the Administrator shall notify the Prime Contractor and/or subcontractor in writing of such determination of noncompliance and withhold up to one hundred percent (100%) of the current progress or final payment due the Prime Contractor for up to 90 days. The amount to be withheld shall be based upon a determination of the degree to which the Prime Contractor has failed to meet its MBE, WBE or SBE contractual commitments and to what extent the Prime Contractor has made Good Faith Efforts to achieve such commitments. The Prime Contractor and/or subcontractor shall have the right to meet with the Administrator within 10 calendar days of receipt of the notice. After conference and conciliation, the Administrator will determine whether the Prime Contractor and/or subcontractor is in compliance.

(b) If the Administrator determines the Prime Contractor and/or subcontractor is not in compliance and the violation cannot be resolved by conference and conciliation, the Administrator shall refer the matter to the Executive Director and the Executive Director may return the referral to the Administrator with direction or may direct the Prime Contractor and/or subcontractor to show cause on a date certain why further sanctions should not be imposed.

(i) The Prime Contractor or subcontractor shall have 15 calendar days after receipt of the show cause notice within which to file a response in writing with the Administrator. A hearing before a duly appointed Hearing Officer shall be convened to provide the contractor and/or subcontractor an opportunity to be heard with respect to the non-compliance. Within 30 calendar days after the Executive Director's referral, the Hearing Officer shall schedule a hearing to be held within 30 calendar days of receipt of the referral for hearing at which the District, the contractor and/or subcontractor may present evidence of the purported violation and/or the absence thereof. The District will carry the burden of proof by a preponderance of the evidence. The Prime Contractor and/or subcontractor may present additional evidence and witnesses to show cause why sanctions should not be imposed. An official record will be kept with the Clerk of the District. All filings by the District or the respondents should be made with the Clerk of the District, with courtesy copies going to the parties and the Hearing Officer.

(ii) The Hearing Officer shall conduct such show cause hearings involving the Ordinance and shall render findings of fact, conclusions of law and recommendations regarding disposition of the hearings. Procedures and rules governing the show cause hearings will be adopted by the Board of Commissioners. The Hearing Officer will not become co-counsel with any attorneys appearing before him/her at any time during the hearing.

(iii) All Show Cause Hearings must be conducted on the record and all testimony must be under oath and transcribed verbatim by a court reporter. All parties shall be given the opportunity to present and respond to evidence. The Hearing Officer shall conduct a fair hearing and maintain order and shall abide by the Judicial Canons of Ethics enacted by the Illinois Supreme Court.

(iv) Within 30 calendar days after the hearing with the Prime Contractor and/or subcontractor, the Hearing Officer shall issue in writing to the Executive Director his/her written findings of fact, conclusions of law as to compliance and recommendations with respect to any appropriate sanctions. The Executive Director shall transmit the Hearing Officer's findings, conclusions and recommendations to the Board of Commissioners which may impose sanctions for a Prime Contractor's and/or subcontractor's noncompliance with this Ordinance including, but not limited to:

(1) Withholding up to fifty percent (50%) of the current progress or final payment due the contractor until the Administrator determines that the contractor is in compliance. Following the withholding of up to fifty percent (50%) of the current progress payment, up to one hundred percent (100%) of further progress payments may be withheld until the contractor is found to be in compliance with the requirements of this Ordinance. The amount to be withheld will be based upon a determination of the degree to which the Prime Contractor has failed to meet its MBE, WBE or SBE contractual commitments and to what extent the Prime Contractor has made good faith efforts to achieve such commitments.

(2) Declaring the Prime Contractor and/or subcontractor to be non-responsible and disqualify/debar the Prime Contractor and/or subcontractor from eligibility to bid on District construction contracts for a period of not less than one (1) year, and not more than three (3) years. An entity that is disqualified pursuant to the provisions of this Ordinance shall be precluded from participation on any District contract as a Prime Contractor, subcontractor and supplier for the period of disqualification. In cases of the use of false documentation, the making of false statements, fraud or misrepresentation, the disqualification period will be not less than eighteen (18) months, and not more than three (3) years for the second violation of the Ordinance and not less than twenty-four (24) months and not more than three (3) years for the third violation of the Ordinance from the date of disqualification established in the Board Order.

(3) Rejecting bids by the Prime Contractor for other contract(s) not yet awarded to that Bidder in instances of the use of false documentation, the making of false statements, fraud or misrepresentation.

(4) For any MBE, WBE or SBE that has misrepresented its MBE, WBE or SBE status and/or failed to operate as an independent business concern performing a Commercially Useful Function, declaring by the Director that the MBE, WBE or SBE ineligible to participate as a MBE, WBE or SBE in District contracts. A firm that has been declared ineligible may not participate as a MBE, WBE or SBE for a period of not less than one (1) year and not more than three (3) years.

(5) Forfeiting and deducting from the Prime Contractor's progress or final payments under the contract an amount up to the dollar amount of its MBE, WBE goal commitment that the contractor has failed to meet. The amount to be deducted will be based upon a determination of the extent to which the Prime Contractor made Good Faith Efforts to achieve such commitments.

(6) Referring the matter to the Office of the Attorney General or Cook County State's Attorney for follow-up action.

(c) The Administrator and Director will take action to prevent a contract from being awarded to a Prime Contractor or first-tier subcontractor disqualified from bidding hereunder for the period of disqualification.

(d) The District's attorneys' fees and costs will be assessed against the Prime Contractor and/or subcontractor where the Hearing Officer makes a finding that the Prime

Contractor or subcontractor used false documentation, made false statements, or committed fraud or misrepresentation.

(e) Notice of sanctions imposed by the Board of Commissioners for violations of the Ordinance by the Prime Contractor, subcontractor and/or supplier will be spread upon the public record by the District, including but not limited to publication in the Record of Proceedings of the Board of Commissioners, posting on the District's web site, publication in any type of media, newspaper publication and direct notice by letter to governmental entities.

(f) Any sanctions imposed against an entity shall also apply personally to all officers and directors of the entity or partners of the entity, and their successors and assigns with knowledge of the acts and omissions that give rise to the sanctions against the entity.

(g) The District may take other action, as appropriate, within the discretion of the Administrator, subject to the approval of the Hearing Officer and the Board of Commissioners.

#### **Section 16. Other Federal Regulations**

The provisions of this Ordinance shall not apply to any contract to the extent that different procedures or standards are required by any law or regulation of the United States and nothing herein shall be interpreted to diminish or supplant the present Equal Employment Opportunity Requirements contained in Appendices B, C, G, and I of Grant funded contracts or Appendix C of non-Grant funded contracts.

#### **Section 17. Reporting and Review**

The Board of Commissioners directs the District staff to report to the Board of Commissioners on an annual basis with respect to the following:

(a) The level of MBE, WBE or SBE participation achieved in each year in District construction contracts subject to Appendix D.

(b) Identification of any problems with the enforcement of Appendix D; and

(c) Any recommendations with respect to improving the implementation of Appendix D.

#### **Section 18. Sunset Provision**

This Appendix D shall be reviewed no later than five years from its adoption and shall expire on June 4, 2020 unless the District finds that its remedial purposes have not been fully achieved and that there is a compelling interest in continuing to implement narrowly tailored remedies to redress discrimination against MBEs and WBEs so that the District will not function as a passive participant in a discriminatory market in the Metropolitan Chicago construction industry.

#### **Section 19. Repeal of Prior Inconsistent Provisions**

All enactments and provisions heretofore adopted by this Board of Commissioners in the area of affirmative action in connection with construction contracts subject to this Ordinance that are inconsistent with the provisions of this Ordinance are hereby expressly repealed.

*Section 20. Severability*

If any clause, sentence, paragraph, section or part of this Ordinance shall be adjudged by any court of competent jurisdiction to be invalid, the judgment shall not affect, impair or invalidate the remainder thereof, but shall be confined in its operation to the clause, sentence, paragraph, section or part of this Ordinance directly involved in the controversy in which the judgment shall have been rendered.

*Section 21. Effective Dates*

This amendment to revised Appendix D shall be effective and apply to all bids for contracts advertised after June 4, 2015.

## Insurance Requirements & Insurance Certificate

A. The kinds and amounts of insurance required are as follows:

1) Workers Compensation and Employers Liability

Workers Compensation as prescribed by applicable law covering all employees who are to provide a service under this Agreement and Employers Liability coverage with limits of not less than \$100,000 each accident or illness.

2) Commercial General Liability (Primary and Umbrella)

Commercial General Liability Insurance or equivalent with limits of not less than \$500,000 per occurrence for bodily injury, personal injury, and property damage liability. Coverages must include the following: All premises and operations, products/completed operations, separation of insureds, defense, and contractual liability (with no limitation endorsement). The City of Chicago is to be named as an additional insured on a primary, non-contributory basis for any liability arising directly or indirectly from the work or Services.

3) Automobile Liability (Primary and Umbrella)

When any motor vehicles (owned, non-owned and hired) are used in connection with work or Services to be performed, Grantee must provide Automobile Liability Insurance with limits of not less than \$300,000 per occurrence for bodily injury and property damage.

4) Professional Liability

When any professional consultants perform work or Services in connection with this Agreement, Professional Liability Insurance covering errors, omissions, or negligent acts, must be maintained with limits of not less than \$500,000. Coverage must include contractual liability. When policies are renewed or replaced, the policy retroactive date must coincide with, or precede, start of work or Services on this Agreement. A claims-made policy which is not renewed or replaced must have an extended reporting period of 2 years.

5) Medical/Professional Liability

When any medical services are performed in connection with this Agreement, Medical/Professional Liability Insurance must be provided to include coverage for errors, omissions and negligent acts related to the rendering or failure to render professional, medical or health services with limits of not less than \$500,000. Coverage must include contractual liability. When policies are renewed or replaced, the policy retroactive date must coincide with, or precede, start of work or Services on this Agreement. A claims made policy which is not renewed or replaced must have an extended reporting period of 2 years.

6) Builders Risk

When any Grantee performs any construction, including improvement, betterments, and/or repairs, Grantee must provide All Risk Builders Insurance to cover materials, supplies, equipment, machinery and fixtures that are part of the structure.

B. Related Requirements

If the coverages have an expiration or renewal date occurring during the term of this Agreement, Grantee must furnish renewal certificates to the Department at the above address. The receipt of any certificate does not constitute agreement by the City that the insurance requirements in this Agreement have been fully met or that the insurance policies indicated on the certificate are in compliance with all Agreement requirements. The failure of the City to obtain certificates or other insurance evidence from Grantee is not a waiver by the City of any requirements for Grantee to obtain and maintain the specified coverages. Grantee must advise all insurers of the Agreement provisions regarding insurance. Non-conforming insurance does not relieve Grantee of its obligation to provide insurance as specified here. Nonfulfillment of the insurance conditions may constitute a violation of this Agreement, and the City retains the right to stop work or Services or terminate this Agreement until proper evidence of insurance is provided.

The insurance must provide for 30 days prior written notice to be given to the City in the event coverage is substantially changed, canceled or non-renewed.

All deductibles or self insured retentions on referenced insurance coverages must be borne by Grantee.

Grantee agrees that insurers waive their rights of subrogation against the City of Chicago, its employees, elected officials, agents or representatives.

The coverages and limits furnished by Grantee in no way limit Grantee's liabilities and responsibilities specified within this Agreement or by law.

Any insurance or self insurance programs maintained by the City of Chicago do not contribute with insurance provided by Grantee under this Agreement.

The required insurance to be carried is not limited by any limitations expressed in the indemnification language in this Agreement or any limitation placed on the indemnity in this Agreement given as a matter of law.

Grantee must require all Subcontractors to provide the insurance required in this Agreement or Grantee may provide the coverages for Subcontractors. All Subcontractors are subject to the same insurance requirements of Grantee unless otherwise specified in this Agreement.

If Grantee or Subcontractors desire additional coverages, the party desiring additional coverages is responsible for the acquisition and cost of such additional protection.

The City of Chicago's Risk Management Division maintains the right to modify, delete, alter or change these requirements.

C. If you need additional information related to insurance, please call the office of the City Comptroller, at (312) 744-7923.
